BITS and PIECES

ASSHOLE OF THE MONTH

Heaven must be missing an Asshole.

Christian Coalitionist Marvin Couch has fallen from his stink cloud in the Florida state legislature, fluttered earthward and landed like a splat of manure in HUSTLER's Asshole of the Month column for August 1996.

"I am truly regretful for the embarrassment and shame this incident has brought to the high calling of public service," bleated 42-year-old Couch after being arrested with a prostitute in the front seat of his Ford truck. The vehicle was parked in a busy Orange County, Florida, shopping mall, in full view of noon-hour patrons. Apprehended by two vice officers who had watched him pick up a hooker on Orange County's notorious South Orange Blossom Trail, Couch was charged with solicitation to commit prostitution, exposure of sexual organs, transportation for the purpose of prostitution and remaining in a place to commit prostitution.

At the time of his indiscreet nooner, Couch was a second-term Republican state representative from the Oviedo, Florida, district. He pitched "family values" as a member of a conservative Christian legislative group that called themselves the God Squad and held weekly prayer meetings in the state capitol building. Couch most surely was sorry to get caught.

The news of a man or a woman facing criminal charges because that person is a biologically functioning human being usually arouses HUSTLER's sympathy. Couch's misfortune is a temptation to gloat, and we cannot resist. Lord, forgive us.

"I guess some people may raise the hypocrisy issue," quibbled Tom Feeney, a sanctimonious politician favored by Christian extremists, "but the simple fact is, no one's perfect."

Couch, a former chairman of his county's Republican Executive Committee, won his seat in 1992 and was reelected in 1994. During that tenure, Christian fundamentalists distributed scorecards to churches, rating various candidates and officials. For three years running, the Orlando-based Christian Coalition of Florida has given Couch a "perfect" rating.

Prior to his disgrace, Marvin Couch had been entirely without flaw or defect in the area of keeping secret his craving for prostitutes.

"I've done things that have never gotten out, and I've tried to hide it," said Couch, who is married and the father of six young children. His wife, Nancy, professed shock at her husband's admission that he had purchased sex from prostitutes on previous occasions. "It's not the first time, no," said Couch.

Paid pussy may have confounded Couch's mind in 1992, when he pontificated: "A lot of people are afraid of the moral decay of the country. They want people who believe in moral values." Scary, but true.

Last fall, Couch was one of 15 Florida lawmakers who sent a blowhard letter to Walt Disney Co., condemning personnel policies at the Mouse corporation as being a mockery of "the sanctity of marriage."

Nancy Couch says that she fears her husband's encounters with prostitutes may have exposed her and her family to sexually transmitted diseases, including AIDS. "To think that he would take that risk," she said from the violated sanctity of her marriage.

Marie Jackson, the 34-year-old working woman nabbed in the act along with Couch, was sentenced to 29 days in jail and ordered to take an AIDS test. The Couches plan to be screened for the HIV virus, putting Marvin's reputation as a heterosexual at risk.

The family of Louise Ray, the woman Couch defeated in his election campaign two years ago, came to national attention after her three sons contracted HIV through blood transfusions. Mrs. Ray believes she lost to Marvin Couch partly because he portrayed her AIDS awareness as gay-rights advocacy.

Mrs. Ray is not the only woman dissatisfied by Couch's lapses of charity, a vaunted Christian virtue. Marie Jackson, Couch's partner in crime, gave a sworn statement complaining that Couch had offered her 30 bucks for a blowjob, but had only $23 in his wallet. She said Couch haggled to keep one dollar.

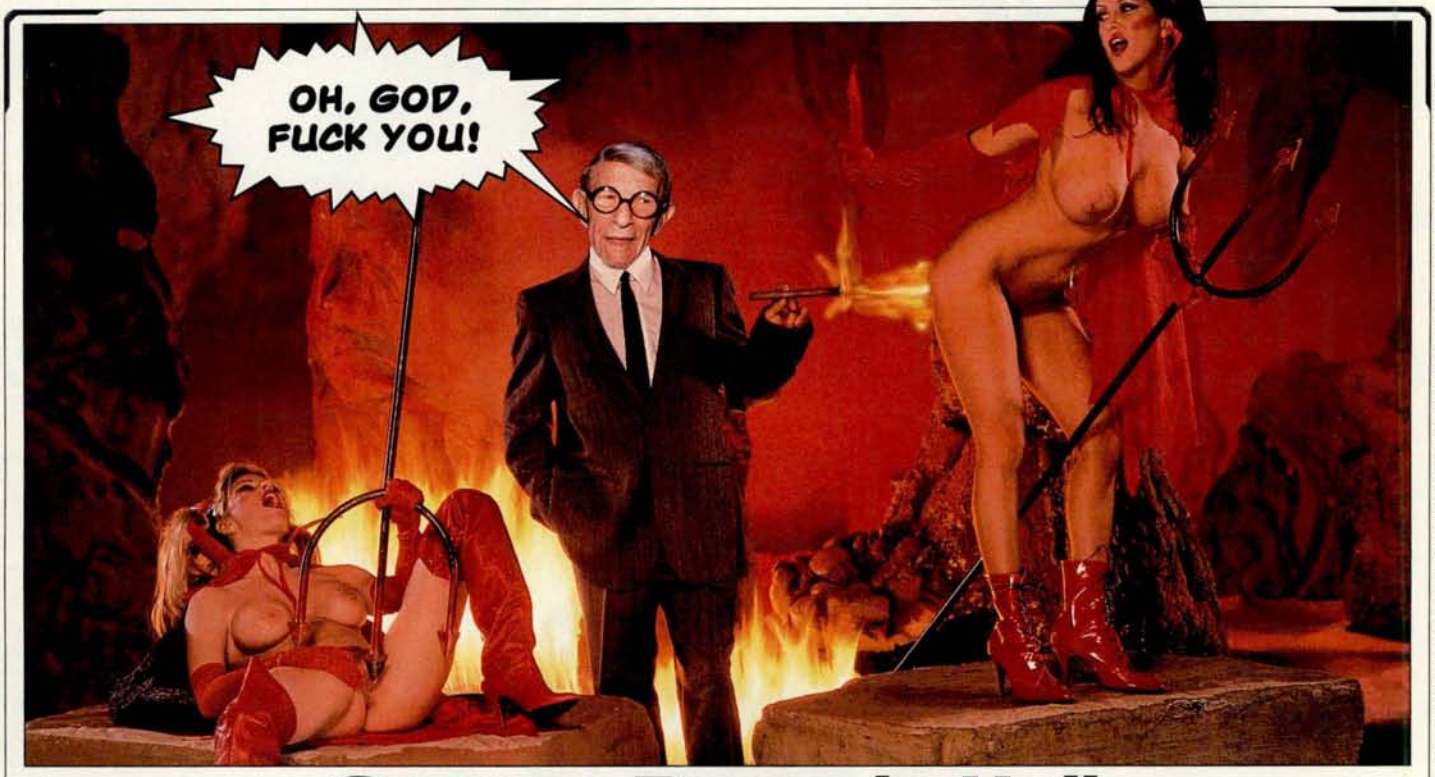

"I'm just going to trust in God," said Couch, hoping to remain in office. "We're just going to ask for mercy."

Marvin Couch is an Asshole who's begging for something stiffer than mercy.

Farts in the Wind

Donald "Buz" Lukens: In 1989, as a Republican Representative from Ohio, Donald "Buz" Lukens became the first Congressman in U.S. history to be sentenced to jail while still in office. Though the Christian Coalition had yet to be formed, conservative Lukens was a hypocrite ahead of his time, found guilty of paying a 16-year-old girl to have sex. After allegations of additional sexual harassment, Lukens resigned "for the good of Congress," and kept his government pension. Buz's subsequent obscurity was broken by a recent conviction for having accepted $15,000 in bribes while he was a Congressman. Scratch a moralistic Asshole; find a thief.

Marge Schott: As owner of Major League Baseball's Cincinnati Reds, Marge Schott has long wavered on the line between eccentricity and abomination. When the home-plate umpire died at the start of Cincinnati's opening-day game, Schott wanted the game to go on, despite feelings of the players, fans and surviving umps. "I felt cheated," huffed Schott. An Asshole often does.

Don't feel too bad about the passing of funny fossil George Burns. A century's worth of broads, booze and big cigars doesn't end just because the Sunshine Boy may have become the Brimstone Boy. News Flash: HUSTLER's H-Chip Saves Slime-Time TV!

As if television weren't dull enough already, soon all boob tubes will come equipped with a "V-chip"—computer software that automatically blocks violent shows such as *ER* and *NYPD Blue*. An impending network rating system will probably end T&A TV. Now HUSTLER shines a cathode ray of hope in the form of the H-chip. The H-chip injects steamy sex and gory violence into otherwise worthless sitcoms and even grows pubic hair on Urkel. Tune in, turn on and drop dead.

Now you can make a big mockery of the judicial system by ordering my FREE* book, *The Snoop Doggy Dogg School of Self-Defense (SDDSSD).* You'll learn how to get your VERY OWN burly Negro bodyguard and high-powered attorney; and lessons such as "How to Move to Los Angeles, Where the Police Department Will Botch Your Case" can keep the criminal-minded from an ass-slamming in the slammer. Where Has all the Semen Gone?

Sperm counts have dropped up to 50% worldwide, and puzzled scientists are blaming everything from toxic waste to tight undies. With 120 million sperm cells in the average load, that's a lot of lost jizz. After countless hours behind locked bathroom doors, HUSTLER's researchers have come to a hypothesis: The missing wads are landing in toilets, sinks and shower drains everywhere and being washed out to sea as guys beat off to the most popular television show in the world, *Baywatch*. If Pamela Lee, Yasmine Bleeth and Gina Lee Nolin get too close to the water, something a lot messier than a drowned surfer is liable to wash up on the beach.

WHAT SORT OF MAN READS HUSTLER?

He has a thirst for life's pleasures. Fiercely individualistic, he commands a group setting with intoxicating dexterity. Nick Cave has guided his band of musical malcontents, the Bad Seeds, through 12 years and nine albums of outlaw rock 'n' roll—and he's read HUSTLER every step of the way. Five out of five HUSTLER readers prefer sexy, dangerous diversions, such as *Murder Ballads*, the latest collection of killer songs by Nick Cave and the Bad Seeds (on Mute/Reprise Records). HUSTLER men also prefer being surrounded by naked chicks. That's why Nick Cave toasts America's Magazine. (Source: August 1996 LFP.)

FEED BACK

Flashin' the Poon

How about a photo-set of some city flashers? A high-heeled peekaboo girl standing on a street corner would be quite a thrill—if HUSTLER could find a girl brave enough to bare her stuff in public. Why not hide a camera and see if you can catch an accidental beaver-shot? I think readers might get a kick out of an unsuspecting woman, a flimsy dress and a gust of wind. A tear-away dress joke played on a model would also treat readers to some real-life reactions.

—K. S.
Tooele, Utah

Peepers and flashers, come together: HUSTLER'S VOYEUR, a special magazine devoted to all aspects of exhibitionism, will melt your binoculars. Throw on a trench coat and head down to the newsstand, or dial 1-815-734-1142.

Open-Minded

After what seemed like an eternity of photos where girls' fingers hide their clits, the May 1996 issue of HUSTLER showed clear shots of spread pussy—to wit, *Madison: Two for the Load* and *Tabatha: Coming Up*. Keep those unobscured lips coming—and while you're at it, more pubic hair, please!

—R. B.
Trenton, New Jersey

All those in favor, shout, "Hair, hair!"

Two Million Dollar Guff

The list of Two Million Dollar Muffs featured some real shitbags ("Two Million Dollar Muffs," *Bits & Pieces*, May 1996)! Some of the pussy on that page was worse than sucking a urinal block. Let's set the record straight: Sandra "Bullshit" Bullock should be replaced with Kristi Yummicuchi. Courteney Cox is okay for laughs. Demi Moore, on the other hand, is a piece of shit who gets fucked by Bruce "The Suck" Willis! Replace Demi with the ultra-foxy Teri Hatcher. It's best that brown-sugar Whitney Houston stays on the list, but Madonna is complete dog piss. How can you offer $2 million to see her smelly-looking, dog-shit pussy, when Heather Locklear's trim is worth at least $3 mil? Now that Cindy "Asshole of the Month" Crawford has been fucked by Richard Gere, her cunt's not worth a penny; Julia Roberts looks like a corpse; and nobody cares about Liv Tyler. Naomi Campbell can stay, and as for Alicia Silverstone, whatever. Get it straight, HUSTLER!

—"The Mad Bomber"
Duluth, Minnesota

Good thing he's not from Montana.

Stacy and Jill: Pumped Up

A Turd for Our Sponsors

Each month, HUSTLER features more and more advertisements. In the May 1996 issue alone, there are 66 pages of ads, many of which interrupt the articles. I realize the magazine needs financial support, but why not keep the ads in the back, away from the articles, jokes and photographs? I've been a subscriber since the very first issue, but I'm seriously considering a cancellation. Advertisements are dragging the magazine downhill fast!

—V. J.
Hurlock, Maryland

Ads are an all-too-necessary evil, V. J., even the ones in the front of the book. Try and remember that HUSTLER adds more pages of articles, jokes and photographs each time a company buys more space—which means you get more bang for their buck.

Enter the Beaver

I've enjoyed HUSTLER since I was an 18-year-old girl. The video reviews in *Erotic Entertainment* really get my attention. I love wild, kinky sex, and I'd like to be in one of HUSTLER's X-rated movies in the near future. Keep up the good work.

—G. J.
Lucerne, California

You ought to be in dirty pictures, G. J., and HUSTLER's Beaver Hunt Video Contest could put you there—with $5,000 in your pocket. See page 106 for details.

FEEDBACK

(continued from page 11)

I Have a Ream

Bring back Shannon (*Shannon: Skin Deep*, November 1995)! Put her in a layout called "Racial Equality." She's the president of the Movement of Intelligent Black Women, addressing her followers. Suddenly, the president of the Caucasian Male Superiority Council shows up and busts a move on her. Before she knows it, Shannon is on her knees, sucking cock, licking ass and being thoroughly disrespected. Or maybe you could have her in a Civil Rights circle-jerk with six white guys. Awesome! —B. J.
Baltimore, Maryland

HUSTLER never disrespects the models, B. J.; nor do we print photos of six guys jerking each other off. What do those initials stand for, anyway?

Black on Black Slime

I'm writing in response to the jokes about African-Americans. I don't understand such racist behavior. What is there to gain by demeaning the black race? If we of African descent can put ignorance behind us, why can't HUSTLER? Guys, I'm sure you can put your energy into more positive prospects. And for the record, Caucasian women are suitable for HUSTLER; but as a prosperous young black man, I prefer an African queen. —C. P.
Town Creek, Alabama

Don't get uptight, C. P. Next issue features a pictorial called "Racial Equality," featuring Shannon and six white guys—oh, forget it.

Horse Lay

My wife and I used to swing on a semi-regular basis back in the '70s. AIDS scared us away from the lifestyle. Lately things have been stale; so my wife has taken to greeting the pizza man wearing nothing but her purple-velvet spike heels. She's worried that her 42DD breasts are drooping and her butt has fallen. Personally, I'm more turned-on by her at 40 than ever, although I constantly fantasize about her old gang-bang days. She used to drink scum cocktails—made from two parts bourbon and four parts ejaculate—out of condoms. My wife has expressed her desire to fellate an equine, providing she can do so safely. The horse would be blown to completion, and my wife would even gargle and blow bubbles with the semen (her specialty). I know bestiality is a sensitive subject; of course, we would be most discreet. Do you folks know where we can get in touch with a trainer? —M. C.
Cincinnati, Ohio

Not until your wife swears to Mr. Ed that she would blow discreet horse-spunk bubbles, M. C.

Hail to the Hedgehog

I am in the U.S. Army, deployed in Bosnia. There isn't much to do but sit around and talk about our favorite porn stars. It may sound funny, but the entire platoon agrees that Ron Jeremy is the king of porn. In fact, he's now our platoon mascot. Is there a Ron Jeremy fan club? —D. A.
Operation Joint Endeavor, Bosnia

There might be an appreciation society for the furry, self-fellating fat boy, D. A., but the initiation is too horrifying to fathom.

Video Dupe

Attention, fellow readers: If you purchase videos from ads in HUSTLER, beware. Some of the companies will rip you off. I lost $43 to some crooked bastards! If anyone else has it stuck to them by a fraudulent seller, contact your postal inspector and file a mail-fraud claim. As the premier men's magazine, HUSTLER must call attention to these scam artists! —M. C.
Ponca City, Oklahoma

Thanks for the tip, M. C. Flighty operators occasionally slip in among the many legitimate dealers who advertise in our pages. Try to patronize businesses that have a functioning phone number in their ads and accept credit-card payment. Remember, anything that sounds too good to be true usually isn't true.

Greatest Ho on Earth

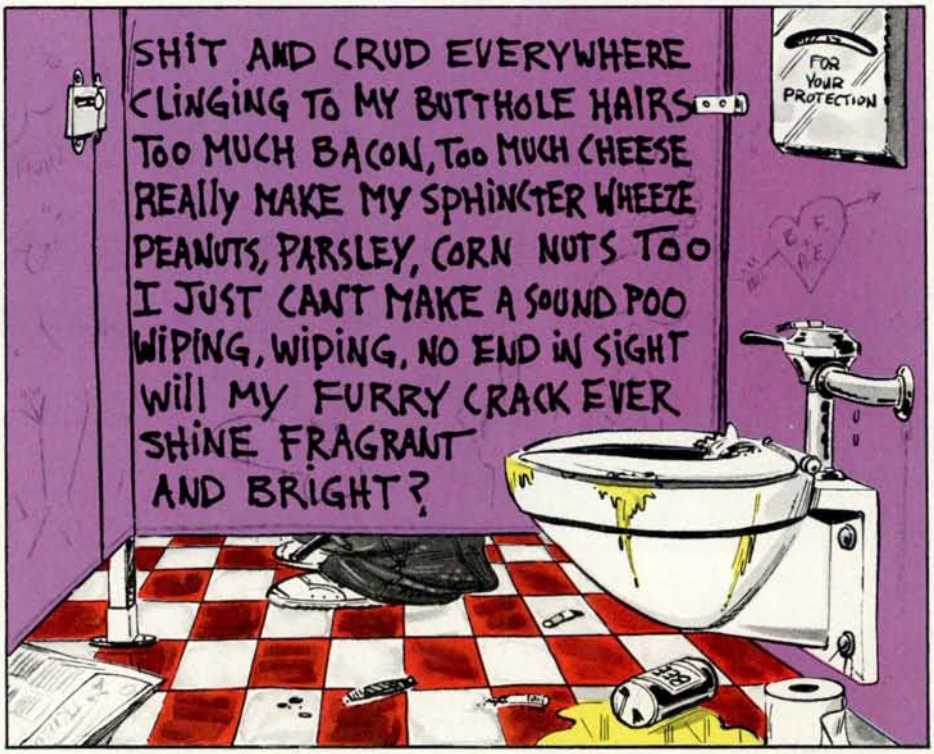

I've been an avid HUSTLER reader since the age of nine. Today I'm 22 years old and a corporal in the United States Marine Corps. Never has a HUSTLER model caught my eye like Renee (*Brittany and Renee: Greatest Show on Earth*, February 1996). She embodies everything I dream about in a woman, from her dark, shoulder-length hair to her sexy summer sandals. I've placed Renee's photos in my wall closet. Looking at her throughout the day keeps my hopes up that I will encounter a girl almost as beautiful when I return to the United States in May.

Double Cross

FULLY ERECT. Directed by Brad Armstrong and Greg Steele; starring Jill Kelly, Steven St. Croix, Nici Sterling, Jeanna Fine, Brad Armstrong, Liza Harper and Brick Majors. Videocassette: Wicked Pictures.

Punchy and *powerful* are the dual adjectives that sum up the well-deserved accolades for *Double Cross*. The storyline has punch and power, the music, the pacing, the hard-guy desperado performances of the actors and actresses, the filming setups and shooting angles and the insertion of cock to cunt—everything that counts in a pornographic experience is punchy and powerful in *Double Cross*. In the smut universe, only Buck Adams has come as close as the makers of *Double Cross* to duplicating the action-adventure adrenaline of big-budget Hollywood thrills. *Double Cross* builds genuine excitement as a pack of evil thugs pursues the "good" thugs who have robbed them in a hail of rock-video gunfire that will raise any male's testosterone level to a point that explodes when Steven St. Croix chows and plows into Jill Kelly's zesty nest. At every plot point, the suspense of *Double Cross* intensifies, and some ravenous broad gets a royal, raunchy ream. Bar-top anal, menacing penetration in the spray of an outdoor shower, a tender, sincere, false intimacy in the glow of a campfire, faces obliterated in liquid climax, *Double Cross* is twice as much fun as most XXX offerings —*Christian Shapiro*

DOUBLE CROSS: Kelly splits for St. Croix.

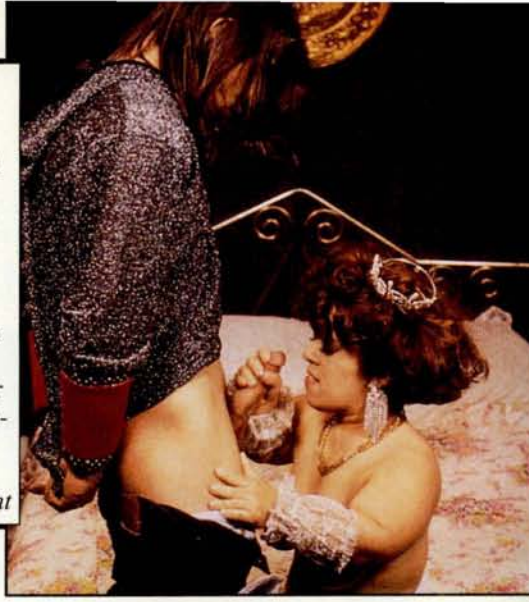

DOUBLE CROSS: Majors fuses loins with Harper.

A Fairy's Tail

THREE-QUARTERS ERECT. Directed by Luc Wilder; starring Gidget the Midget, Ariana, Sahara Sands, Dave Hardman, Mike Horner, Santino Lee, Jake Williams and Brockton O'Toole. Videocassette: Totally Tasteless Video.

A freak-show fairy tale done in medieval costumes, *A Fairy's Tail* kicks off with Jake Williams doffing his knight's armor and plunging his meat sword into tattooed princess Sahara Sands's fluorescent-pink quim. In the role of bitch witch, Ariana turns princess Sands into a real-life midget, Gidget. Possessing a roly-poly, shapely half-pint frame, Gidget's snatch features finger-length doodle flaps—which Mike Horner and Dave Hardman both split before spurting on the cocksucking midget's face. Meanwhile, Ariana takes Santino Lee's coal-black schlong into her ring-pierced cunt, then gets her butt stuffed so hard, her tits sweat; standing erect, Gidget gulps Williams's cock and bends her bulbous ass high for Williams to bumper as he slams her from the backside; erstwhile enemies Sands and Sahara bury the dildo and make up lesbian-style in a well-lit dungeon scene. Watching this midget-size fairy tale, viewers will find their magic meat wands spouting from beginning to end. —*Evan Wright*

A FAIRY'S TAIL: Groin-high Gidget grabs a big one.

Where the Boys Aren't 7

HALF ERECT. Directed by Ernest Greene; starring Christy Canyon, Janine, Julia Ann, Dyanna Lauren, Asia Carrera and Jenna Jameson. Videocassette: Vivid.

One good thing about the *Where the Boys Aren't* series is that viewers can't complain that blond glamour-puss Janine receives top billing and then never sucks any dick. None of the sleek, cosmetically enhanced visions of cunt-hungry femininity suck penis in *Boys Aren't 7*, but the girls do slurp dildos, probe one another anally, link face to vagina in a dirty, half-dozen daisy chain of clam and cluster five-on-one to focus intense attention upon a selected centerpiece's asshole. The sex routines of *Aren't 7* often cross over to the realm of floor-work gymnastics, with talented, limber, naked sexual athletes rolling and tumbling through what comes across as choreographed routines of push-ups and splits. This rote, but very proficient, performance both gives *Boys 7* its high standard of quality and limits it from being a truly spontaneous nut buster. —*C. S.*

LIP SERVICE: Lord, Jameson, Renee and Serenity.

Lip Service

THREE-QUARTERS ERECT. Directed by Brad Armstrong and Greg Steele; starring Jenna Jameson, Steven St. Croix, Nici Sterling, Jill Kelly, Mark Davis, Serenity, Vince Vouyer, Rebecca Lord, Brad Armstrong and Ashley Renee. Videocassette: Wicked Pictures.

The writing of a XXX flick rarely comes in for praise, but the script of *Lip Service* is an exception to industry standards. Basically the plight of a damsel in distress who is being sought for extermination by a rogue cop, *Lip Service*'s through line is direct, simple and compellingly enacted by an admirably adept group of adult performers. It doesn't hurt that the damsel in distress is the blue screen's reigning blond sex bomb, Jenna Jameson, and that Jameson takes off her clothes, pounces on prick, flexes her ass and tits, winks her pristine cunt and perks her baby-soft face for dollops of jizz. Jameson's charismatic sexual pull is augmented by firm tugs from pretty birdy Jill Kelly's wad-welcoming tongue and from wonder waif Rebecca Lord in an all-snatch fourway. Everybody who came to play in *Lip Service* meant business, from the cameramen to the film and sound editors to the haughty brunet ginch who takes a double tooling of turgid prick. —*C. S.*

LIP SERVICE: Jenna's full-service lips.

Shayla LaVeaux and Juli Ashton bring a stilted glimpse of smooth-flowing cybersex to come.

REAL-TIME SLUTS

In a quest for cyberdollars, XXX video companies are rushing to set up private, subscriber-based, adult-entertainment services on the Internet.

In a back room of the VCA studios in a Chatsworth, California, industrial park, XXX vixen Juli Ashton sits on a couch, naked with a keyboard on her lap, waiting to put her twat online for the enjoyment of hundreds of VCA EXPOSED subscribers waiting out in cyberspace.

"Do I have spinach on my teeth?" she asks with a toothy grimace. A VCA techno-geek trains a video camera on her bod, covered with goose pimples from the chilly air-conditioning.

"Right now, we can capture Juli in still pictures and send them out to our subscribers instantly," the VCA cameraman explains. "Soon, we'll be able to send our subscribers live, full-motion video, in real time."

A message from a VCA EXPOSED member blinks across Juli's monitor: "JULI, CAN WE HAVE A CLOSE-UP OF YOUR PUSSY???" The video camera zooms past the tattoo of a dancing bear on Juli's belly and focuses on her sugar bush. The image is captured and sent out over the network.

"I JUST WANT TO SAY," a cybermook's message blinks onto Juli's monitor, "LICK MY BALLS!"

Juli laughs and types a reply: "I'D LIKE TO, BUT I CAN'T."

There's the old conundrum: However high-tech, however real and however fast the modem, the next best alternative to a real live chick will continue to be a trusted hand with a firm grip.

Cyberperverts can access VCA EXPOSED by browsing VCA's Web site at *http://www.vcapix.com.*

Scrue

THREE-QUARTERS ERECT. Directed by Paul Thomas; starring Chasey Lain, Shelby Stevens, Roxanne Hall, Asia Carrera, Jill Kelly, Joey Silvera, Ian Daniels and Bobby Vitale. Shot on Film. Videocassette: Vivid.

The only difficult thing to grasp about *Scrue* is its title, which is a play on the word *clue*. Once the titular ambiguity is cleared up, the gripping adult-entertainment value of *Scrue* is as simple to understand as the grasping allure of top-shelf female meat putting their wad-siphoning lips, labes and sphincters to the task of creating sexual visuals that beg for viewer interaction. Chasey Lain is among the most gorgeous women currently employed in the porn labor pool; her ball-licking, hard-humping avidity equals her stellar good looks. No wonder Lain's male costars constantly cram their faces as far as possible up the idealized crack of her perfect ass. Asia Carrera, exotic, erotic, a strong work ethic, is again a pleasure to see doing intense oral, vaginal business. Shelby Stevens, Roxanne Hall, Jill Kelly—slippery, slithering, slinky and sexy. Get a good grip with *Scrue*. —*C. S.*

Ass Openers #1

FULLY ERECT. Directed by Michael Carpenter; starring Kitty Monroe, Kitty Yung, Debi Diamond, Beatrice Valle, Meekah, Leena, Francesca Le, Persia, Bionca, Alicia Rio, Pamela Dee, Max Hardcore, Peter North, T. T. Boy, Nick East, Alex Sanders, Marc Wallice, Terry Thomas and Scott Mallory. Videocassette: TCKS Entertainment.

From beginning to rearend, *Ass Openers #1* presents a seamless flow of unseemly anal perversions culled from Michael Carpenter's ongoing *Hot Tight Asses* series. A veteran loop cameraman from the early days of hard-core porn, Carpenter's style is direct and simple; it relies on close-ups and fast-paced action. It can be highly effective, beginning with Alex Sanders and T. T. Boy's double assault on an Asian tart's tightly clenched turd rings. With big hair, long legs and beautiful teeth, Bionca uses both her bottom orifices at once to extract jets of nut curd from Boy and a thick-pronged buddy; a shower-stall slut with a cunt the texture of steak gets butt-reamed by Nick East; Sanders nails his prong into the rubbery sphincter rings of a writhing wanton; Meekah gets a bulging shaft buried in her brown booty; a duo of dildo dykes go to Turdtown on Bionca's rear; and in a scene exclusive to this film, Max Hardcore pops into Kitty Monroe's bunghole and sodomizes her with trademark brutality. *Ass Openers #1* offers the best of multivolumed *Hot Tight Asses* all in one tight package; get this and forget the rest. —*Mack Assarian*

ASS OPENERS #1: Monroe gives Hardcore an oral exam.

WORKING GIRL GANG-BANG: Lee and her gang of working stiffs.

Working Girl Gang-Bang

THREE-QUARTERS ERECT. Directed by Rod Fontana; starring Jordan Lee, Blake Palmer, Brett Singer, Damien, J. P. Anthony, Mike Carlson and Gene Grey. Videocassette: Glitz Video.

Working Girl Gang-Bang is a grainy, slipshod, mean-spirited triumph of tastelessness. Jordan Lee plays a pissed-off female executive who feels sexually harassed by the admiring leers and catcalls she receives from the slobs in the company warehouse. She threatens these harassing losers with legal action, but when a co-worker stumbles into her office and finds Lee masturbating in a fit of unrepressed frenzy, it's clear all this bitch needs to set her straight is a good, hard fucking. He and a half-dozen schlubs from the warehouse pile onto Lee and give it to her, taking turns to cram her every orifice with slabs of working-class dick meat. The once uptight, self-righteous Lee yelps like a mating bitch throughout. She satisfies every deviant lust of her horny co-workers—from offering her ass up as a tightly clenched fuck hole to gulping down the gobs of sperm, scraped off her face and poured down her throat from soupspoons. Though it's too short and made on the cheap, *Working Girl Gang-Bang* will incite viewers to sexually harass their own penises with frequency and vigor. —*M. A.*

Work of Art

HALF ERECT. Directed by Scotty Fox; starring Olivia, Jessica James, Angel Collins, Jordan St. James, Tony Tedeschi, Brick Majors and Bobby Vitale. Videocassette: Legend.

The true work of art in *Work of Art* is Olivia's decoratively tortured body: Silver studs pierce the flesh of her mound, her navel and her tongue; the pale, satiny skin of her belly has been ink-scarred with a sinister tattoo; and her breasts swell painfully with enormous silicone implants. Her face, devoid of emotion, radiates a sensuality that seems to derive its smolder from some torment at the bottom of her porn-starlet's soul. In the satisfying opener, Tony Tedeschi takes full liberty with Olivia's flesh—including a long, lustful chew on her bubblegum nips and twat—before plunging into her writhing figure with animal abandon. Next, Jessica James wraps her pouting lips around Tedeschi's trouser tumescence, gleefully sucking out gobs of ball sauce; Bobby Vitale dumps a clumpy load of testicle crud on Jordan St. James's face after dick-mangling her blond-tufted meat wrinkle; and James and St. James smear poster paints all over their tits and butts before dyking it out tongue-to-tongue on the floor. Ordinary fare, *Work of Art* benefits from the above-average flesh art of its four female performers—each of whom is worthy of a spunky load of appreciation. —*M. A.*

WORK OF ART: A stroke of penis from cock-artist Olivia.

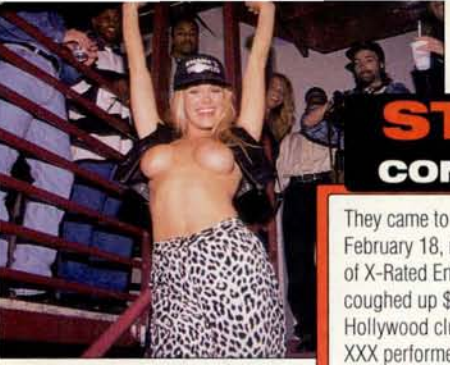

DANGEROUS CURVES: Cameron cringes as her crack gets crammed.

Dangerous Curves

HALF ERECT. Directed by Derick Lane; starring Celeste, Devon Shire, Laurie Cameron, Woody Long, Randy Spears, Rick Masters and Paul Morgan. Videocassette: VCA.

It's Randy Spears's birthday. In the fashion of porn logic, his girlfriend, Celeste, gives Spears the gift of going out and fucking two guys who are not him while he stays at home and splits pasty Devon Shire with another dude. Celeste's sumptuous rump globes and full-buffet chest buffers are only half her appeal—she's got big, penis-ogling eyes, a mouth that delights in cocksucking and a trim twat that seals a bone in savory, slippery, self-cooking juices. Her pair of screws are classic cum-goddess fare. Devon Shire, on the other hand, should stick to the witness stand where she can at least give the impression of enjoying herself. Pixie pussy Laurie Cameron is the real threat to flaccidity in *Dangerous Curves*. Cameron claws the mattress and chews the sheets as a thick prod squeezes through her clenched sphincters to close out the tape, which is nice placement because interested parties need rewind only a little bit to get to the best part. —*C. S.*

Shane shimmies for schmoes.

STALKERS' CONVENTION: CONVENES IN HOLLYWOOD

THE FOXE SHOW

They came to worship. On the night of this past February 18, more than 1,000 members of the Fans of X-Rated Entertainers organization (FOXE) coughed up $40 apiece to squeeze into a crowded Hollywood club to pay their respects to their favorite XXX performers.

Overpriced beer spilled everywhere from flimsy plastic cups. The club reeked of bodo and dank leather, and the security guards bullied everyone with blind efficiency. The violently excited spirit of the crowd undampened, it surged against the stage and swarmed around the scantily dressed porn chicks in scenes such as these:

"You beautiful bitches!" a drunken FOXE member shouts to a bevy of passing skin entertainers. "I'd eat your panties, pee stains and all!"

On stage, obscene screen-siren Lovette wows the audience with an artistic dance featuring her naked body and several cans of whipped cream.

Privately, some XXX maidens complain of inflamed FOXE members grabbing and mauling them with frightening zeal. Unsubstantiated rumors circulate that a small minority of FOXE members have been slapped with restraining orders as a result of "stalking incidents."

"FOXE is a harmless stuffed animal, an embracing teddy bear made of fans," Bill Margold, event impresario, explains at the door. A limousine disgorges its cargo of drunken porn floozies, who stumble in—laughing and blowing kisses—breasts billowing from their flimsy, sequined tops. "I'm here to look out for these kids." Margold nods to the passing porn chicks. "To them, I'm just a big daddy who dispenses hugs and comfort."

By evening's end, FOXE honors were handed out to XXX performers Randy West, Sean Michaels, Kylie Ireland, Alicia Rio, Shane, Jenna Jameson, Charlie La Tour and Angella Faith.

Lovette lathered for loving.

Jenna Jameson on the john.

SEX BANDITS: Sanders puts Ashley's head to good use.

Sex Bandits

HALF ERECT. Directed by Teri Diver and Tom Elliot; starring Kaitlyn Ashley, Brittany O'Connell, Patricia Kennedy, Micky Lynn, Morgan Le Faye, Missy, Steve Drake, Alex Sanders, Vince Voyeur, Ron Jeremy and T. T. Boy. Videocassette: VCA.

Goofy, well-intentioned, fun to be around, but in the final judgment lacking intensity and stripped-down fuck appeal, *Sex Bandits* offers too few spots that are conducive to popping off a load. Costumes appear to be a drawback of *Bandits*. Three minstrel men make merry with a red-swathed wench, but they take too long to shuck out of all that excess fabric. Brittany O'Connell and Patricia Kennedy do oral, vaginal and anal justice to Steve Drake's prong, but what's with that Cleopatra getup? Kaitlyn Ashley puts out for a big-chief stud, her bigger-than-life tits dwarfed by the warrior's monumental feathered headdress. Yellow-head former kid Micky Lynn is outdoors with a dick up her ass and what looks like a pair of men's briefs on her head. With half the drapery, *Sex Bandits* would have produced twice the semen ropery. —*C. S.*

Max World 2

THREE-QUARTERS ERECT. Directed by Max Steiner; starring Lovette, Julie, Sylvie, and Max Steiner. Videocassette: Xplore Media.

The butthole crusader formerly known as *Max Hardcore* has been reincarnated as Max Steiner, and in *Max World 2* he takes his cruelly kinky sex show to Europe. In Amsterdam, Max encounters Lovette, the blond American slattern with somewhat simian features, and feeds her his trouser banana on a crowded tour boat. The XXX courtship continues in an Amsterdam hotel room where Steiner woos Lovette by calling her a *whore* and a *cocktease*, vigorously slaps her tits as he jams his schlong into her tailpipe, then pries her orifices apart with the aid of a scary-looking medical instrument. In Paris, a brunet French trollop, Julie, alternates between nervous laughter and cringing moans as Steiner puts her sphincters through the paces. He makes her eat his butt-dirty cock until she gags, then gobs up her drool-covered chin with jets of nut spray. On a Paris street, Steiner encounters Sylvie, a wavy-haired tart who slaps him on the face. He returns the favor by slapping his dong in her mouth and fucking her up the ass. The humiliation isn't complete until Steiner applies bright-red lipstick to Sylvie's butt lips and rides her anal anatomy to ball fruition. Sodomy-minded viewers will enjoy this latest installment of cheerfully demented entertainment from the former *Max Hardcore*, today's Max Steiner. —*M. A.*

MAX WORLD 2: Sylvie's butt does its comic impression of a doughnut hole.

THE MEATMAN: Hardman feasts on sushi and beef.

The Meatman

THREE-QUARTERS ERECT. Directed by Jim Powers; starring Felecia, Rachel Love, Blake Mitchell, Nikki Darling, Christina West, Sabrina, Warren Scott and Dave Hardman. Videocassette: Outlaw Productions.

The Beef Council of America may not approve, but *The Meatman* delves into uses of beef products never before dreamed of in the *Joy of Cooking* or the *Ladies' Home Journal*. Dave Hardman wraps a thick, juicy, raw slab of sirloin around his cock and beats off in it while spying on Rachel Love and Felecia as they go anal on each other with a dildo; Hardman lubes up a blonde's loins with handfuls of uncooked hamburger meat and plows her greasy rump with his man sausage; Warren Scott teams up with Hardman to savor the human meat of a flame-haired strumpet, plugging her oral and vaginal sockets at once; and Nikki Darling serves up the dark meat of her ass to Hardman, who sodomizes it, while Blake Mitchell simultaneously licks Hardman's bowel-flavored shaft on every upstroke. It's sick, disgusting and well-done. The USDA has no rating for *Meatman*, but HUSTLER awards it a Three-Quarters Erect. —*E.W.*

THE MEATMAN: Hand-tenderized meats.

FEEDBACK

(continued from page 15)

has always been the first to push the limits of censorship with controversial photos. For a while now, I've noticed *Penthouse* layouts that feature a model with a finger or part of a pearl necklace shoved into her pussy. I was starting to wonder if HUSTLER had lost its reputation as the number one adult magazine. Then a buddy loaned me the April 1996 issue. From the very first pictorial, HUSTLER is back in the game, with a dick right in the chick's mouth (*Sebastian and Jasmine: Captain's Log*)! The action didn't stop there: The lesbian pictorial shows a finger in the pussy and a tongue buried between those sweet twat lips (*Stacy and Jill: Pumped Up*). Both Heather and Valeria also feature shots where a finger is shoved up the hot box (*Heather: Heat Stroke*, *Valeria: A Heavy Load*). Now HUSTLER can be considered the greatest fuck mag in the world—and in Bosnia, for sure. —J. M.
Bosnia

Keep a close watch, J. M., and you'll see things that make Penthouse look like Good Housekeeping.

Thrill of the Hunt

Just received the June 1996 issue, turned to *Beaver Hunt* and shot a load in my pants! Call off the contest—Suzanne from Ontario, Canada, is your winner! Suzanne looks great for a mother of two. At 36 years old, if she has the guts to pose, she deserves to be a Finalist. Hurry up and send the next issue; I'm looking forward to Suzanne's Grand Prize Finalist spread!
—F. S.
Philadelphia, Pennsylvania

Suzanne will get her spread if she gets the votes, F. S. In the meantime, change your pants.

Gash of the Titans

Please print the photos submitted by the Texas Tunnel (*Beaver Hunt*, January 1990) and the Florida Sinkhole (*Beaver Hunt*, March 1996) side by side so readers can declare a winner of the Bottomless Pit contest. The victor could receive a book of Kegel exercises. —C. M.
Newton, Iowa

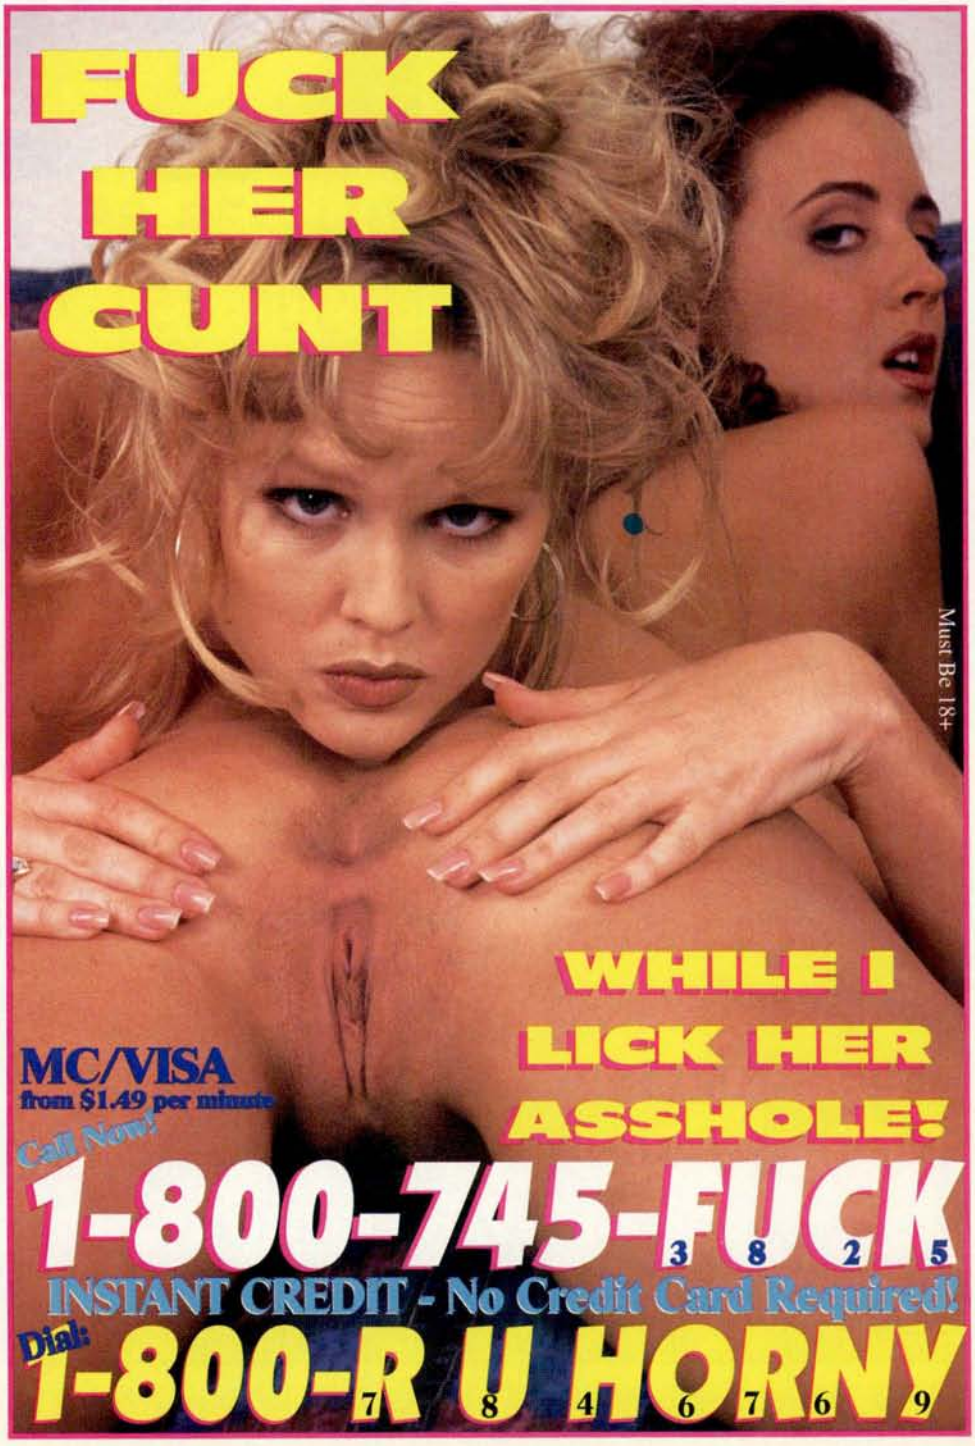

In response to countless similar requests, next month's Bits & Pieces will feature an official ballot form to choose the all-time Queen of Behemoth Beavers. The Texas Tunnel holds the title; but confidentially, the Florida Sinkhole looks like the early cuntrunner.

Suicide Is Brainless

Man, I like HUSTLER's new look! The girls are fine, too. I appreciated Marc Medoff's two-part report on porn suicides (*Kisses of Death Parts I and II: Why Are America's Porn Stars Killing Themselves?*, May and June 1996). They say a chain is only as strong as its weakest link; I guess your whole life is only as good as your worst day. I lost an uncle, a friend and a girlfriend to suicide. The idea that I could have somehow saved them haunts me. As a result, I'm probably at an increased risk myself; so I lock up the guns while drinking. Now where's that bottle of potassium gold cyanide? Good article.

REVENGE OF THE NERPS

I've set up quite a swank apartment in my parent's basement. I had just settled into my beanbag chair for a special screening of Quentin Tarantino's uncut *Reservoir Dogs* on bootleg video when I was startled by a loud banging. Usually that's just my big, fat dad complaining about a particularly rowdy round of Dungeons & Dragons. The stranger at my window, however, was a lot easier on the eyes than Dad and had even bigger tits—exposed, pink melons that she pressed against the glass.

"Hey, baby," she bellowed, smearing the window with a sloppy lipstick trail. "How's about you and me have a little fuh...fuh...*ulp!*" The bare-breasted babe turned her head and vomited onto my parents' driveway. Concerned, I quickly pushed all the dirty clothes and comic books off my futon mattress, dug out the unopened box of condoms Dad gave me way back on my 21st birthday and rushed to help the damsel in stomach distress.

As I dragged her comatose form down the basement stairs, I got a good look at the intoxicated knockout's panty-free curves and a good whiff of her 80-proof perfume. The party girl was a natural blond, disheveled in her skin-tight, red mini-dress. Those unconcealed floppers were capped with nipples like mint-condition silver dollars, demanding to be handled by expert fingers. Nevertheless, my conscience wouldn't allow any improper behavior that took advantage of the fair maiden's condition; so I simply stripped off her clothes and stretched her luscious, nude bod across the bed.

I had barely snapped my third Polaroid when the sleeping beauty's eyes fluttered into consciousness. She exclaimed, "Oh, my God, another blackout," and furtively covered herself with my Snoopy bedsheets. My dick continued to swell at the sight of her tan, smooth legs, one of which I laid a reassuring hand upon.

"Relax," I cooed, soothingly moving my fingers up to her inner thigh. "You're in good hands." To prove the point, I slid a single digit into the downy, blond triangle between her legs and suavely added, "My name's Jeremy. What's your name?"

"F-Florence," she stammered. "Last thing I remember, I was hanging on to a urinal at Big Mackie's Tavern, trying to make the world stop spinning." The bar slut's eyes glazed over again, but this time her increasingly blood-engorged clit was the cause. I gently stroked her puffy, velvet pussy lips open and darted my middle finger in and out of the steamy cooze. Between moans, Flo gasped, "For a guy in pink, fuzzy slippers, you're pretty aggressive."

"I'm a 32-year-old virgin," I admitted, freeing my rigid schween and pressing it against Flo's sloppy opening. "The caring and sensitive approach gets old after a while." Small talk came to an end with the sinking of my first few fleshy inches.

Flo howled, dug her fake nails into my back and robbed my chastity with a buck of her hips.

"You're a disgusting loser," she spat, "but what the hell. I'll just drink twice as much tomorrow morning to forget." Flo eased my prick out from the tight grip of her cunt muscles like a surgeon removing a veiny, foot-long tumor. She licked the palm of her right hand and began furiously jacking my member, stopping only for an occasional yank on my fat balls. Without missing a stroke, the sex-mad dreamboat crouched behind me and stabbed her hungry tongue at my asshole. I was beginning to suspect that my fuck buddy had quite a bit of experience in the boudoir, which would hopefully make up for my lack.

Flo grunted, "*That's* how to wield your big meat hammer, Poindexter," and tore off my Superman T-shirt. Soon, my chest was covered in her ferocious bite marks, which led down my stomach and surrounded the base of my cock. I laid back and tried not to pass out as Flo noisily nursed my choad in the deepest recesses of her throat. The sensation of her lips wrapped around my shaft, sliding up and down at a sperm-churning pace, was an almost painful ecstasy. Every ounce of blood in my body seemed to rush toward the girth of my erection. I staved off unconsciousness by pulling Flo into a 69 position, where I focused on the task of soul kissing her hot box.

With each twitch of my tongue, Flo wrapped her fist tighter around my fuckstick and sucked more noisily at the head. I plunged my face so far into her inverted crotch that the tip of my nose pierced her puckered asshole. Grunts of approval escaped Flo's dick-stuffed esophagus, persuading me to follow up my anal probing with a finger or two. Her bung stretched in silent consent, while her pussy flooded my mouth with a sopping gush of approval. That was the only cue I needed to rend my manhood from Flo's craw and shove it back between her legs—this time, from behind.

As Flo braced herself on all fours, I rammed my entire length into her womb. The buttery vage walls shuddered on impact, sending an electric charge through my groin. I grabbed her firm butt cheeks for dear life and pumped in earnest. Each thrust brought forth Flo's piercing screams of agonized bliss. It's a good thing the batteries in Dad's hearing aid were worn out that weekend, or I'd probably still be on punishment to this day.

In March 1996, sweet Sadie made her first gallop through the pages of *Beaver Hunt*, and all hands at HUSTLER Ranch grabbed hold of their panhandles. Fit as a fiddle and blessed with a pair of Texas-size teats, Sadie roped herself a higher seat in the saddle as *Beaver Hunt*'s Grand Prize Finalist #3. By our reckoning, this 24-year-old from Corpus Christi has all the fixin's of a blue-ribbon Beaver, but it remains to be seen if she'll rustle up the *Beaver Hunt* Grand Prize of $5,000 and an expenses-paid trip to a glamour capital to shoot a HUSTLER pictorial.

Any filly thinking she can catch Sadie down the homestretch should giddyap to page 107 for *Beaver Hunt* details.

"You saved my life," sighed Flo. "I guess you really are a superman." "Except," I interjected, aiming my crank at her puss, "he never dumped a load all over Lois Lane's fucking face."

With no fear of waking the old man, however, I ripped wood into the doggy-style damsel using all the force I could muster. Flo clenched the futon tight and employed my pillow as a makeshift bit. She was completely out of control!

"I can feel you so deep," Flo yowled. "Pounding me...in the pit of my stomach...think I'm gonna come...." Convulsions traveled through her from head to toe, causing a vaginal clamp on my rod that coaxed the first tingle of my own climax. The tide of semen was only stayed when Flo went perfectly rigid and cried out, "False alarm—I'm gonna puke again!"

Dry heaves consumed the alcoholic piece of ass. The gagging and choking that escaped her contorted lips sent her loins into intense spasms. My pounding dong was milked like a stubbornly stiff udder. I wrapped my arms around Flo's midsection for leverage and felt the intense upheaval in her guts. An impromptu Heimlich maneuver ensued when I pulled her torso closer to mine, and she violently exhaled. Finally, Flo turned limp in my arms, grinning with utter satisfaction. The rumble of my nads told me soon she'd be wearing more than just a satisfied smile.

"You saved my life," sighed Flo. "I guess you really are a superman."

"Except," I pointedly interjected, aiming my crank at the dreamy look on her puss, "he never dumped a load all over Lois Lane's fucking face." Sperm the consistency of cream of mushroom soup sprayed onto Flo's mug, dripping down her cheeks and burbling over her lips. Admittedly, this orgasm was quite a bit more intense than all those times alone with a Japanese animated X-rated video. The warm jolt coursed more and more liquid pleasure through my nozzle, until Flo was an even stickier mess than when she threw up in the driveway. She slurped the thick sauce off her fingers and sucked my last few drops straight from the bone.

Collapsing on the mattress, I threw an arm around Flo and announced, "Now that you've made me a man, the least I can do is offer you a ride home on my moped." To my shock, her reaction was an elbow to my ribs!

"The least you can do is cough up the $200 you owe me, asshole," she demanded, driving the point home with a knee to my freshly drained testes. Doubled over in pain, I realized the only thing I could cough up was dinner. Dad hadn't paid my allowance yet! I had to think fast, before the crazy bitch caused my asthma to act up.

"Take my comic book collection," I sobbed, delirious with pain. "Just don't hurt me!" Flo scooped up her clothes, grabbed the stack of comics by my bed and said goodbye with a well-placed kick to my gut.

It's really too bad. Some of those comic books were real good. —J. W.

NUDE FOR THOUGHT

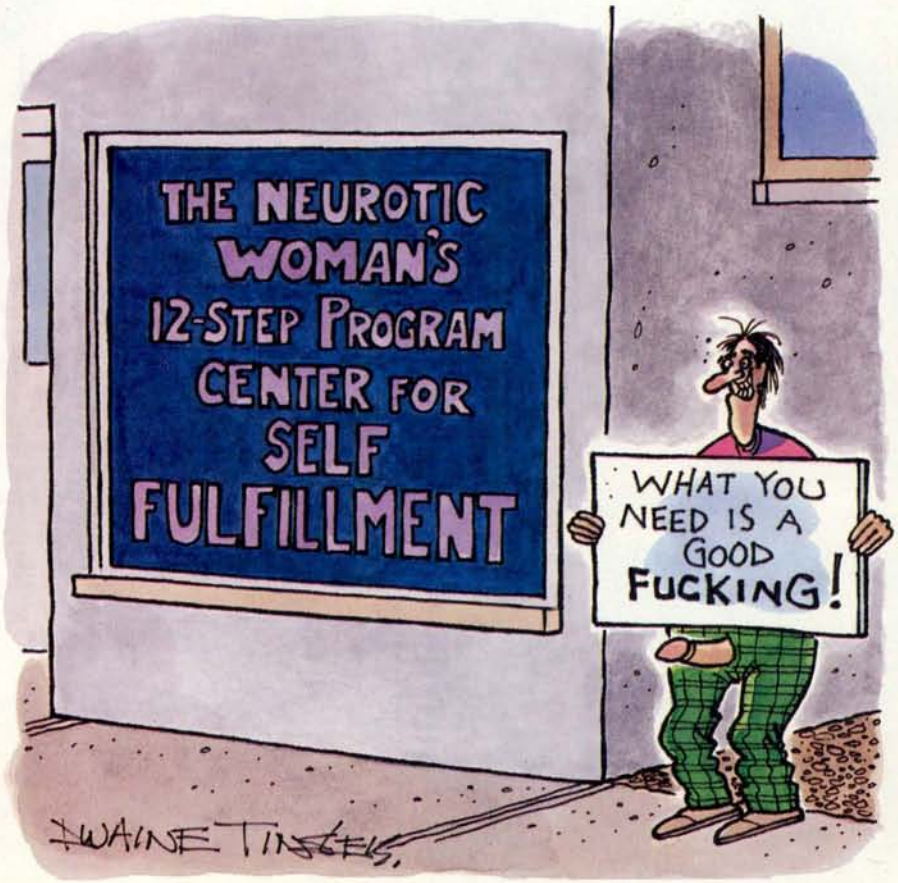

Maybe HUSTLER readers in the Northwest have heard of me. I'm El Buffo, the naked guy at a local university. Every once in a while, the newspapers will print a picture of my bare ass on campus, spouting some bullshit about free speech and the beauty of the human body. If they ever ran a shot of me from the front, you'd see the real reason for my little show-and-tell: I've got a freakishly enormous johnson, and walking around *au naturel* is a great way to pick up chicks. When I see a particularly sexy coed, I run up behind her, smack her on the back with my shvanz and yell, "I walk in the nude—*El Buffo!*" You could call me the Zorro of pussy hounds.

Unfortunately, summer school has been a real dry season for scrunt. As a matter of fact, I didn't even pop a bone all semester—until that ugly bitch Mrs. Renois had a heart attack in class, and a six-foot, redhead bombshell by the name of Miss Aberdine became our guest lecturer.

The way Miss Aberdine's D-cup breasts constantly threatened to burst out of her conservative blouse was bad enough. Her tendency to drop the chalk in the middle of a test was murder. Each time she bent over and displayed the ungodly roundness of her exquisite rump, I nearly shot natural Liquid Paper all over my neighbor's exam. Once, nearsighted Aberdine mistook my hard cock for a raised hand, and I had to get up in front of the entire class with a woody. It was just like one of those bad dreams where you forget to wear pants—except I never wear pants.

Sparing myself further humiliation, I went to Miss Aberdine's office after school with a request to be transferred into a different French course. When no one answered my knock, I went ahead and barged in. To my bewilderment, Aberdine was spread across her desk, half nude, frantically humping her hand while grasping a newspaper with my picture on the front page!

"*Zut alors*," she shrieked, scrambling for her thick glasses. "*El Buf*—I mean, Paul, haven't you ever heard of knock-

I stuck my fingers into her dank snatch, then shoved them into her mouth. The fuck-happy frog went crazy for the taste, lapping my hand the entire time I drubbed her bowels.

ing?" Realizing I'd never get a better chance to plow through those strawberry pubes, I stroked at my stiffening wang and went for broke.

"Never mind that, Miss Aberdine," I panted, pulling her spectacles off and climbing on top of her Amazonian frame. "Have you ever heard of knocking boots?" I burrowed hard cock into her unbelievably tight, wet slit without bothering to find out if Aberdine was up on the current slang for balls-out fucking. Soon, the only language she was speaking was tongues as she grabbed on to the actual butt cheeks whose photographic image she'd spilled so much pussy juice over.

I'd always heard French women were the world's hottest lays, but nothing prepared me for the way Aberdine pistoned her cunt against my loins. I tore at her bra like a starving baby and freed those monster breasts in one fell swoop. The pale, white teat meat cascaded out of her top and into my greedy maw. While one nipple was suckled to the point of popping off, the other was tweaked and pinched erect with my ambidextrous fingers.

If Aberdine's continental hooters hadn't distracted me so in class, I might have been able to translate her enraptured babbling as I slid pork in and out of her love tunnel. Nevertheless, I distinctly heard the words "ass-*futez*"—or at least I wanted to. Regardless, I flipped the fiery-haired femme onto her smooth, flat belly and gave her bounteous bottom a playful slap. She let out a long moan and reached behind to spread the cheeks herself. No American girl has ever done that for me! I hurled a gob of phlegm at Aberdine's rectum, stirred it around with the tip of my dick and then slowly fucked her well-lubed shit ring.

"*Mon Dieu*," she blurted, followed by another stream of gibberish. I stuck my fingers into her dank snatch, then shoved them into her mouth to shut her up. The fuck-happy frog went crazy for the taste, lapping my hand the entire time I drubbed her bowels.

I grabbed Aberdine's crimson mane with my free hand and pulled her hair with each plunge of her bum. She made incoherent gargling noises, and her eyes rolled back in her head. I watched amazed as Aberdine twiddled her twat at a superhuman rate and exploded in multiple orgasms. The twitch of her sphincters rippled across my cock in urgent, sweaty pulses. I shot my wad straight into her hindquarters, withdrew and watched the spunk dribble out of her puckered bunghole.

For what seemed like an eternity, we stayed hunched over on the desk, waiting for the last wave of climax to pass through Aberdine's out-of-control cunny. Finally, she caught her breath and spoke actual English.

"Now that you are mine, Paul," she gasped, "we can get married and move to my homeland. Only in Paris can we raise our many children, chain-smoke cigarettes and watch Jerry Lewis films while we eat snails. Best of all, I will never have to wash or shave my armpits again—and you can walk around in a beret, as well as other effeminate clothing!" She planted a big, briny-wet kiss on my lips.

"Sorry, Frenchie," I said with a smile. I slapped my limp snake across her back and proclaimed, "I walk in the nude—*El Buffo!*" I left my course-transfer request in her box and walked out determined to score a Jap next semester. —P. L.

Restrictive attitudes in the name of so-called morality increasingly take the fun out of fucking. Through good, old-fashioned homespun knowledge, hearsay, scientific facts and outright lies, this series strives to spread the word that rubbing uglies is a beautiful experience.

Female Friends
Why Bother?

By Leonard Schnieder

Chuck's buddies used to give him a lot of shit. "When my friends found out I was hanging out with girls and not even trying to get into their pants, they thought I was a fool," the electrician remembers, pausing to wipe his inch-thick glasses on the T-shirt that barely covers his beer gut. "Passing up a night at the stock-car races to see a subtitled French movie with a girl I wasn't banging—to them, that spelled wuss." But six months later, wussy Chuck gets more pussy than he can eat, and his friends are begging him for leftovers. What's the secret? "My bro's don't see the connection. When they hear all the chicks leaving messages on my machine, or a girl stops by the shop wanting to buy me lunch, and she ends up blowing me in the parking lot, they don't get that this is the payoff from those days of acting like a wuss."

* * *

For most guys, devoting time and attention to a girl who isn't going to come across is like fishing the Dead Sea: a frustrating, boring waste. Chuck's co-worker Steve is adamant: "Who wants to listen to the babble if it won't get me laid? I'm out driving, and I see a hot ass go by. I let her know I'm interested by honking my horn or yelling, 'Nice tits!' If she flips me off, she's a dyke. I move on to the next one." But as he watches Chuck haul away yet another prime piece, Steve wonders, for the first time, if he truly understands women after all.

Most guys miss the big picture. They can't see the forest for the bushes. Diane Dingler, author of the best-selling *Men and Women Are Different*, explains, "Men and women are different. A man's sexuality is straight, pointing directly to the object of his desire. But a woman's is circular; it flows and can enter by any number of openings." Chuck, philosophizing at the local lunch counter, puts it in layman's terms: "Making girls is like playing poker. The average loser's approach is like announcing to the table, 'I'm holding a full house; I bet 50 bucks,' then wondering why everyone folds." Whether the prize pot is a stack of chips or a stacked chippie, the smart player knows to bluff.

Chuck reveals how he beat the odds. "By the time she's 20, a good-looking chick has heard it all. So when you walk up to her in a bar and offer to buy her a drink, she's already three steps ahead. You're the tenth guy to hit on her in the past hour. Unless you're Brad Pitt or get lucky and find a slut, you're out of the game. Now, I'm not the best-looking guy in the world." Chuck glances at his balding, 5-3 reflection in the mirror behind the bar. "Coming on direct, I don't stand a chance. Instead, I ask advice on what to buy my girlfriend for Christmas, or I talk about how I'm not ready for a new relationship. They love that. Then I'll ask the sweet-looking fox and the two dogs she's drinking with if they want to get a salad at the new health-food place up the block." Chuck pauses to look up at the waitress who has just delivered his order. "Thank you very much," he warbles, digging into a chili burger and cheese fries.

Phase Two for Chuck is crucial. "Cultivate a friendship. Call up just to say hi and let her do all the talking. It's a good idea to have a porn flick playing on mute, 'cause women can drone on for hours. Listen to them whine about their boyfriends, their childhoods, their spiritual whatever. Go over and step on their spiders—but don't make a pass or even flirt. Make them come to you."

Author Diane Dingler explains the psychology behind Chuck's system: "Today's woman is about empowerment, about making her own choices. She prefers to decide for herself what she wants rather than be a passive codependent."

Chuck: "Let them think that moving to the physical stage is all their idea. Sooner or later, they dump their latest boyfriend or their vibrator short-circuits, and they think, *If only I could find a nice guy like Chuck; Chuck understands me; I wish he was my boyfriend.*" Chuck smiles, revealing a brown, chipped set of teeth. "Next thing you know, the same stuck-up, empowered woman who would have spit on me if I'd given her a straight come-on is drooling all over my joint."

Ms. Dingler agrees with the basic thrust of Chuck's point. "Often, a woman isn't emotionally available when a man first meets her. But when her heart does blossom, it opens for the man whom she's already close to." For the horny gardener, the meaning is clear: Even if her furrow seems frozen solid, plant a seed early and wait. Soon, you'll be plowing her fields, mowing her lawn and watering her every night.

Playing poon possum sounds like a big investment of time and energy, but think what the average mook pays for a poke. Chuck's pal Steve tallies up his latest tab. "I took that bitch to her favorite restaurant three times:

"If Fran let me come on her tits, then Marsha wanted it in the face. If Marsha asked me to spank her, then I had to tie Fran up and beat her ass with my belt."

steak, lobster, champagne. Flowers, valet parking, tips. And just when I was finally gonna get my dick wet, she tells me our relationship isn't growing and spreads for the waiter instead. The fuck. He ought to give me 15% of her ass." Steve didn't want to waste valuable time making friends with women, but on the nine dollars an hour he brings home after taxes, it'll take him weeks to pay for his case of blueballs.

Mark, a part-time video-store clerk, stumbled upon the joy of having girl buddies. "I had it bad for this girl Cindy who came in sometimes. But I can barely pay my rent; so taking her out was impossible."

Young Mark thought he was destined to spend his quality time alone with the porn flicks he took home every night; little did he know what bounty his hapless geekhood would land him. "Cindy's chick friends came around, and I'd talk to them about Hong Kong action flicks. I lent Fran my bootleg copy of *Bullet in the Head*, and me and Marsha would go to the Jackie Chan double features. Since we were just friends, we always went dutch. If I was broke, they'd even pay for my ticket. After a while, they started bringing home-cooked meals over to my place and then doing the dishes."

Mark was reaping one of the fringe benefits of female friends. Reveals Ms. Dingler, "All women have a natural urge to mother and nurture. But in a romantic situation, they fight this urge because they don't want to be taken for granted."

Chuck expands on Ms. Dingler's observation. "If a broad's husband or boyfriend asks her to do his laundry, she's gonna chew him out for treating her like a wife or girlfriend. But if she stops by to visit her platonic guy friend, and he says, 'Gee, I tried separating my clothes like you said, but even after I put all the pants and shirts in different piles, they still came out gray,' she'll tousle his hair, tell him how cute and helpless he is, then leave with her car full of his dirty boxers."

After a few weeks of hanging out with Cindy's cronies, Mark finally worked up the nerve to tell them he was hot for their friend. "I told Marsha about my crush on Cindy, and the next thing I know, she's crying, asking what's wrong with her. When I tried to give her a friendly hug, she stuck her tongue into my ear and grabbed my balls. Before I could say a word, she had me pinned to the floor and was taking off her bra, showing me how her tits were bigger than Cindy's. She claimed her pussy was tighter too—although I can't see how she'd know—and told me that Cindy was a frigid tease who doesn't swallow cum. Marsha, I found out, does."

Mark shakes his head, amazed by his good fortune. "Anyway, me and Marsha get it on every night, and a week later, Fran tells me she's hating herself because I sleep with everyone else but her. She says I must think she's ugly. I proved her wrong."

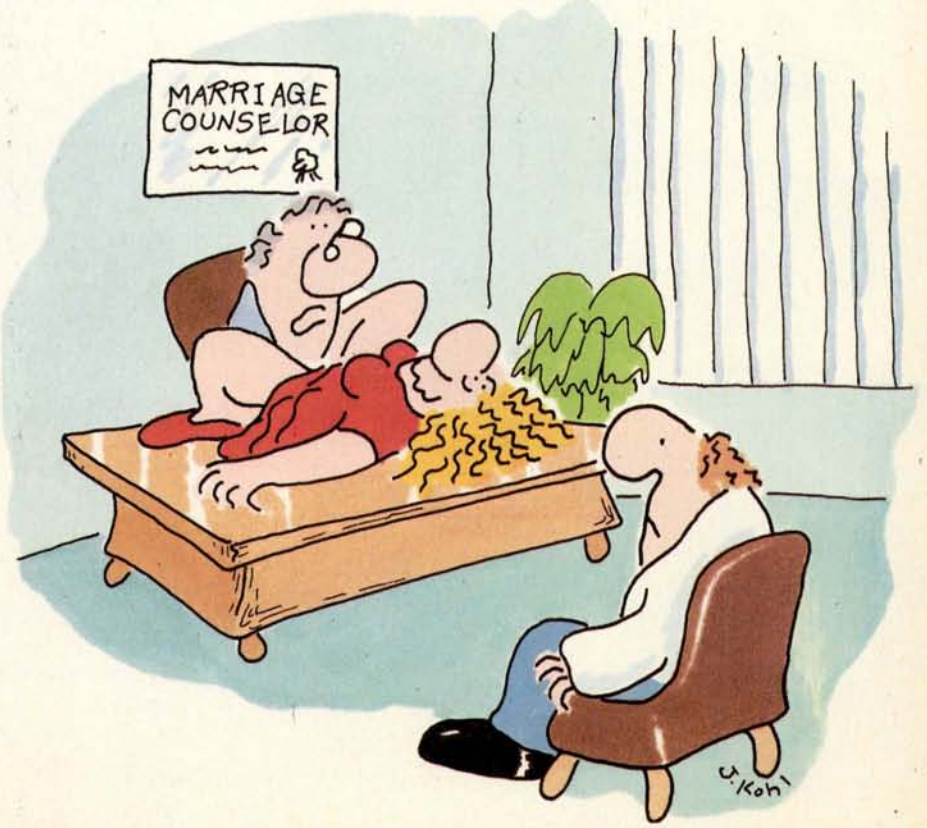

Mark reckoned his life had gotten as good as it ever would with two nubile beauties competing for his affections. "If Fran let me come on her tits, then Marsha wanted it in the face. If Marsha asked me to spank her, then I had to tie Fran up and beat her ass with my belt. I didn't even have time to think about Cindy."

Fate had yet another surprise in store. "Before I started giving it to Fran and Marsha, Cindy didn't even rewind her tapes. Now I'm standing behind the counter with my balls so sore, I can't sit down. She comes in every day in leather pants and a baby tee, hanging around for hours asking me about French new-wave cinema." Mark scratches his head. "I'm not complaining, but these chicks always insisted they were best friends."

An expert on the female mind clears up the confusion. "Never underestimate the role that vanity, jealousy and competition play in female friendship," Chuck coaches, drawing a chart on the tablecloth with ketchup. "Marsha never would have given Mark a tumble until she found out he liked Cindy. Now her ego's involved. Marsha's always competed with her supposed best friend, and showing Mark she's better in the sack is a way of beating her out." Chuck uses mustard to add another arrow to his battle map. "Now we have Fran. She sees that out of the three girls, Mark has expressed an interest in her two friends. She gets jealous. In fact, she's always secretly hated their guts, and this is her chance to show them all. Only, she's got to do Marsha one better." Chuck sprinkles pepper on the mustard to underscore his point. "And that brings us back to Cindy." He traces a line to a puddle of grease across the table. "When Mark was mooning after Cindy, she couldn't have given two shits about him. Now he's suddenly the hottest stud on the ranch, and she'd kill to have his dick up her dumper."

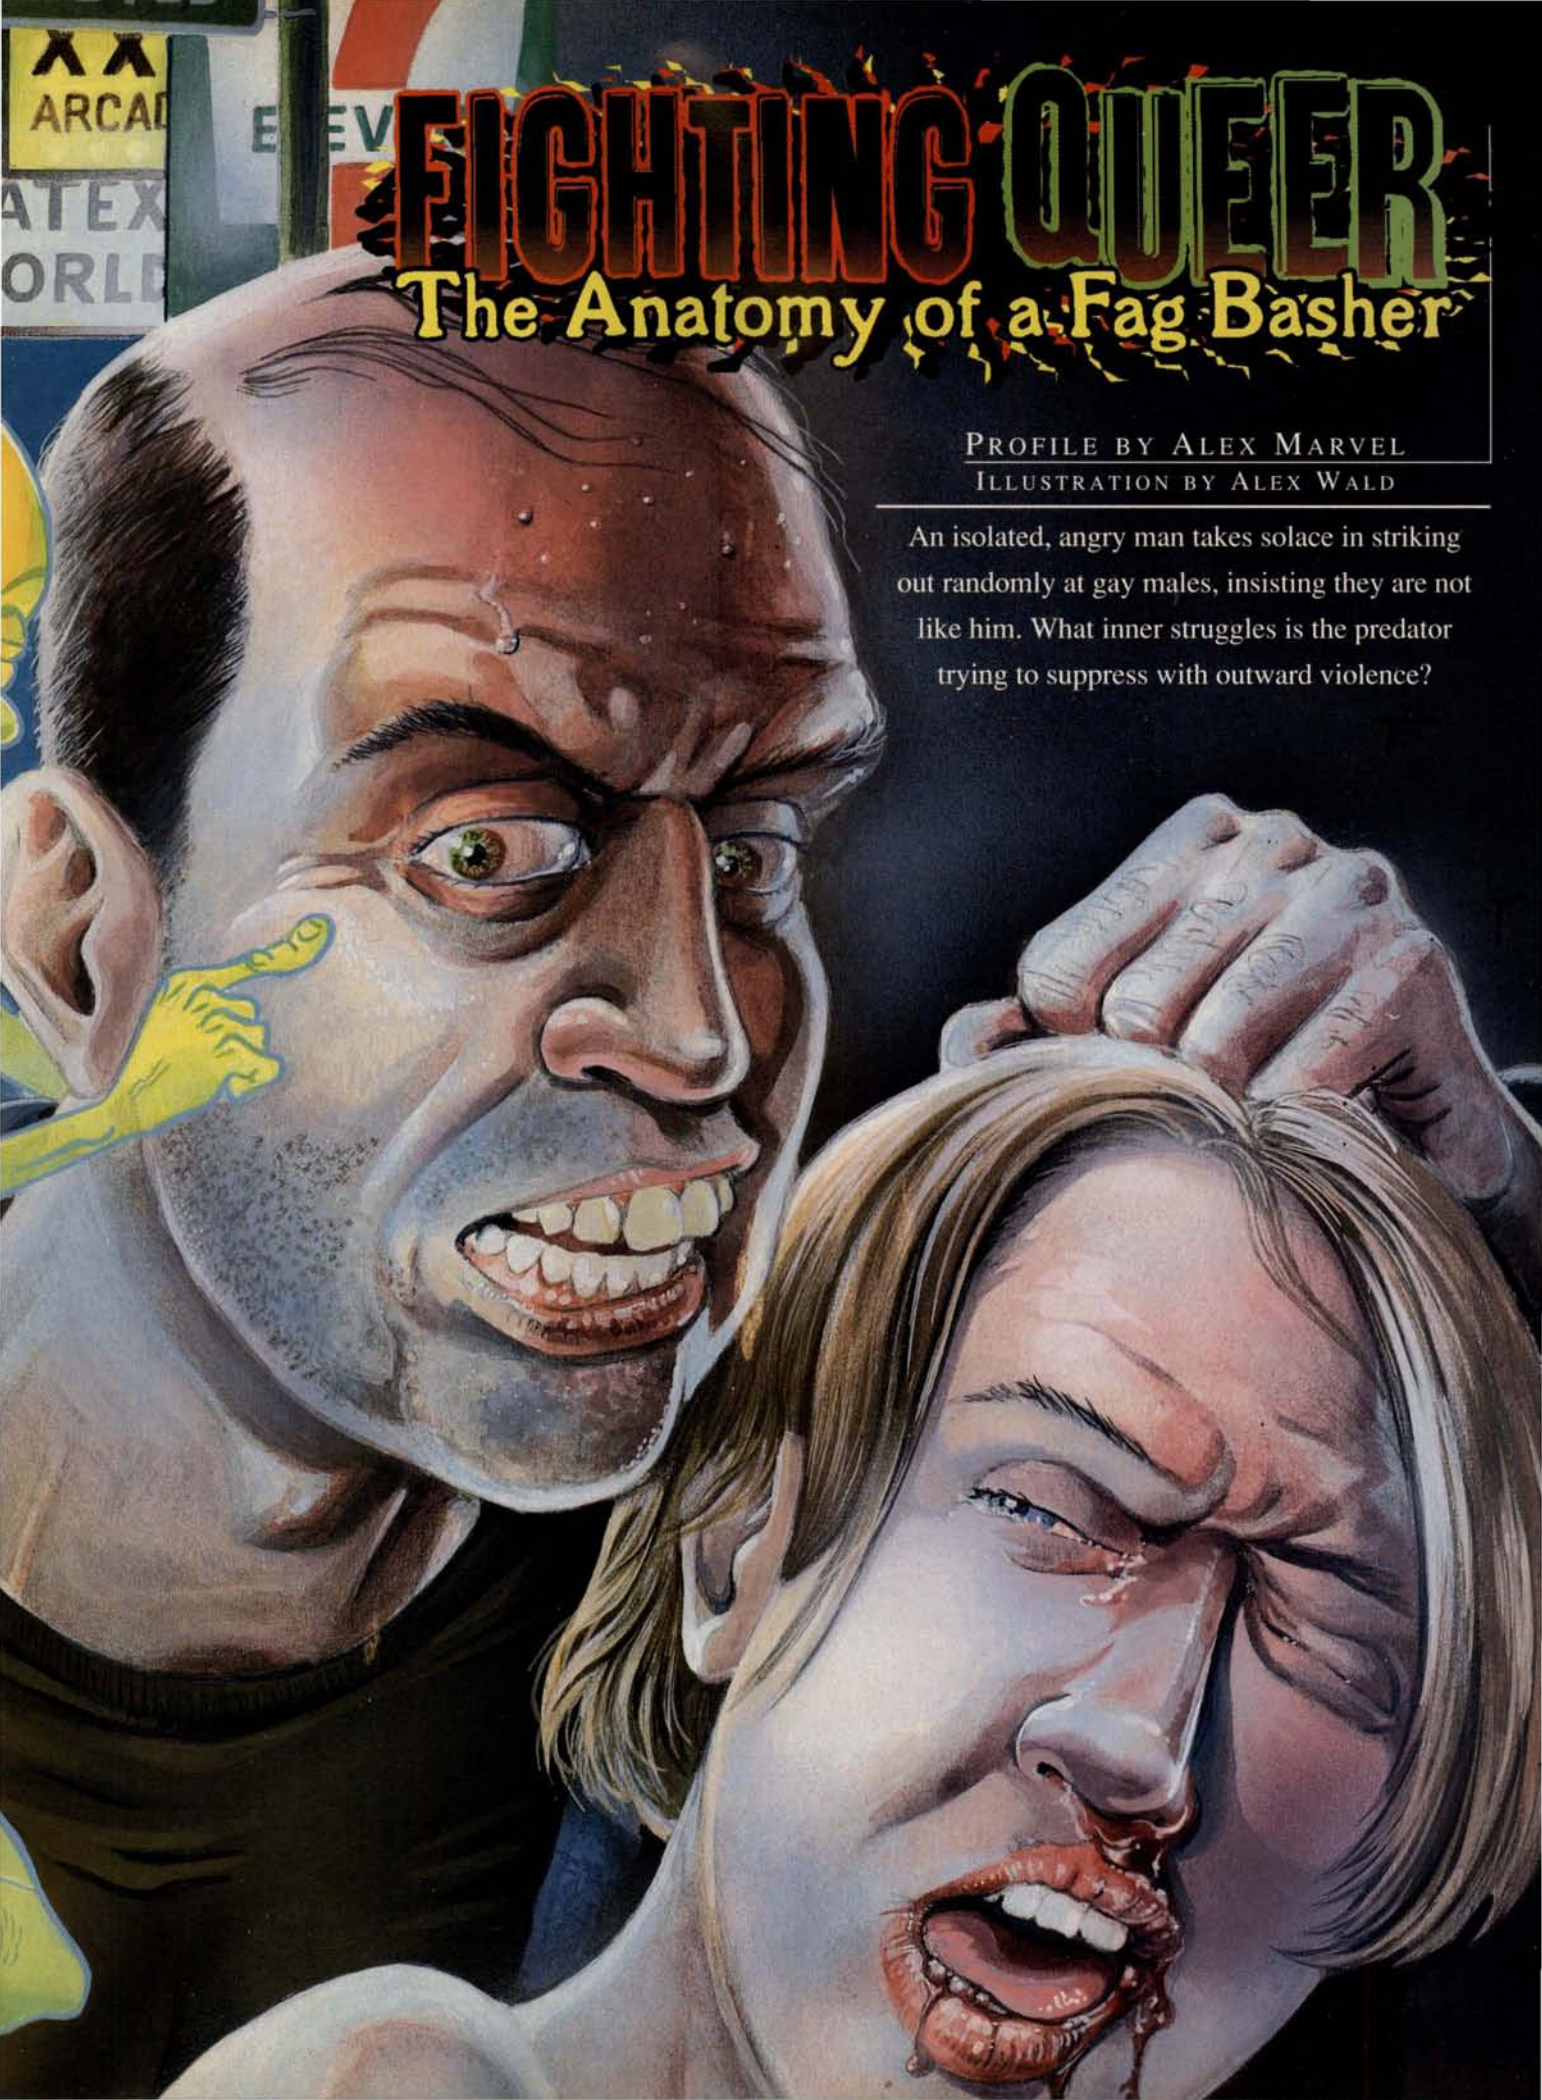

Chuck sits back and takes a big bite out of his burger. "I call that playing the combination. You can parlay one smart female friendship into a yearlong streak. The closer they are to each other, the better the chance of making this strategy work. Tell your chick friend that you're in love with her sister and really play it up—pour your heart out. She'll decide you're no good for her sister and try to keep you for herself. When the sister, who called you a fat, bald slob last month, finds out that her bitch sibling stole you from her, she'll be wrapping her mouth around your cock before the bitch's pussy juice has even dried.

"The cardinal rule is: Always let the lady show her cards first. If she gets into a low-cut blouse, pretend you don't notice. If she shakes her ass in front of your face, ask her nicely not to block the TV. Right up until the second your cum is landing on her tongue, never, ever let her think that you are anything more than a friend."

"I don't know what your problem is. Your wife's pussy tastes perfectly fine to me!"

FIGHTING QUEER
The Anatomy of a Fag Basher
PROFILE BY ALEX MARVEL
ILLUSTRATION BY ALEX WALD
An isolated, angry man takes solace in striking out randomly at gay males, insisting they are not like him. What inner struggles is the predator trying to suppress with outward violence?

Basher

The skinny guy reached to unbuckle Ted's belt, and Ted dropped the guy with one punch to the face. "I'll kill you if you make any noise," said Ted, stomping the skinny guy. "Fucking AIDS-bait faggot."

Ted Sternman had not planned for his evening to turn ugly, and neither had Ted's victim. Both men merely intended to go out and have a few drinks with friends. Also, each would have liked to get lucky in the way of his own sexual preference.

One hour after making his last drop-off, returning the van and clocking out, Ted rendezvoused with Joan and Charles, a married couple, at the bar of a suburban steak house. Ted has known Charles since the two men were teenagers on a high-school wrestling team. Joan and Charles had brought along Suzanne, a woman employed at the same escrow company as Joan. Introductions were made, and Ted's immediate impression was that he had a good chance to lay Suzanne.

During dinner Suzanne made an unfortunate belittling reference to the UPS man who serviced her office. Suzanne followed this sally by asking Ted what he did for a living.

"I deliver packages," answered Ted. He kept to himself the information that UPS had turned down his application for hire three times; he could only guess why.

Suzanne blithely insisted she had meant no harm by her comment, but Ted knew the score: Suzanne was a bitch, a cunt, a typical shit-don't-stink slut.

Ted said very little throughout the rest of the meal. Before dessert, the two women went to the restroom.

"You're hitting heavy on the scotch," said Charles.

"I'm still okay to drive," said Ted.

Suzanne suddenly remembered that she had to go home and prepare documents for the morning. Charles and Joan invited Ted along to drive into the city and see a movie of Joan's choosing.

Ted traveled separately in his own car. He stopped and bought a pint, which he resorted to throughout the film. The theater was full of couples, snuggling. Some of the twosomes were both male. The flick was French. Men hugged and wept in a strange language. Ted couldn't follow it.

When the show let out, Ted begged Charles and Joan to share a nightcap at a downtown bar.

"I've had enough," said Charles. He and Joan clearly communicated the opinion that Ted had drunk too much already.

"Fuck you both," said Ted.

Ted walked a few blocks into a part of the city with heavy pedestrian traffic, all of it male. Single men glanced boldly at one another, exchanged a few words and moved along paired off. Ted was amazed at the ease with which these men connected. He almost envied them.

A skinny guy in a ribbed, sleeveless undershirt and low-waisted denim jeans, a colorful neckerchief dangling from the back pocket, made contact with Ted's glowering eyes. Ted acknowledged the look, hardened his gaze and turned off the brightly lit main drag. The skinny guy followed. *It was so easy to be queer.* Ted stepped into a service alley and pivoted around the corner of a Dumpster. The skinny guy was right behind him.

The skinny guy reached to unbuckle Ted's belt, and Ted dropped the guy with one punch to the face. Ted kicked the guy in the stomach so he couldn't scream. He balled up the skinny guy's kerchief and pushed the gag into his bloody mouth.

"I'll kill you if you make any noise," said Ted, methodically stomping the skinny guy. "Fucking AIDS-bait faggot."

Ted was out of breath. He stood panting over his whimpering victim, then walked.

Ted had no fear of being caught. His only worry was what to do with the erection he'd sprouted during the bashing.

Hate is hard on everybody. During the virile years of his late teens, Ted Sternman could go out three nights a week with his wrestling-squad posse, drink a bumper of malt liquor, raise hell and occasionally kick some faggot ass. The only ramifications might be a slight hangover, bruised knuckles or pesky bloodstains on a favorite T-shirt. Now in his early 30s, Ted has neither the peer group nor the physical constitution to support binges of drinking and violence.

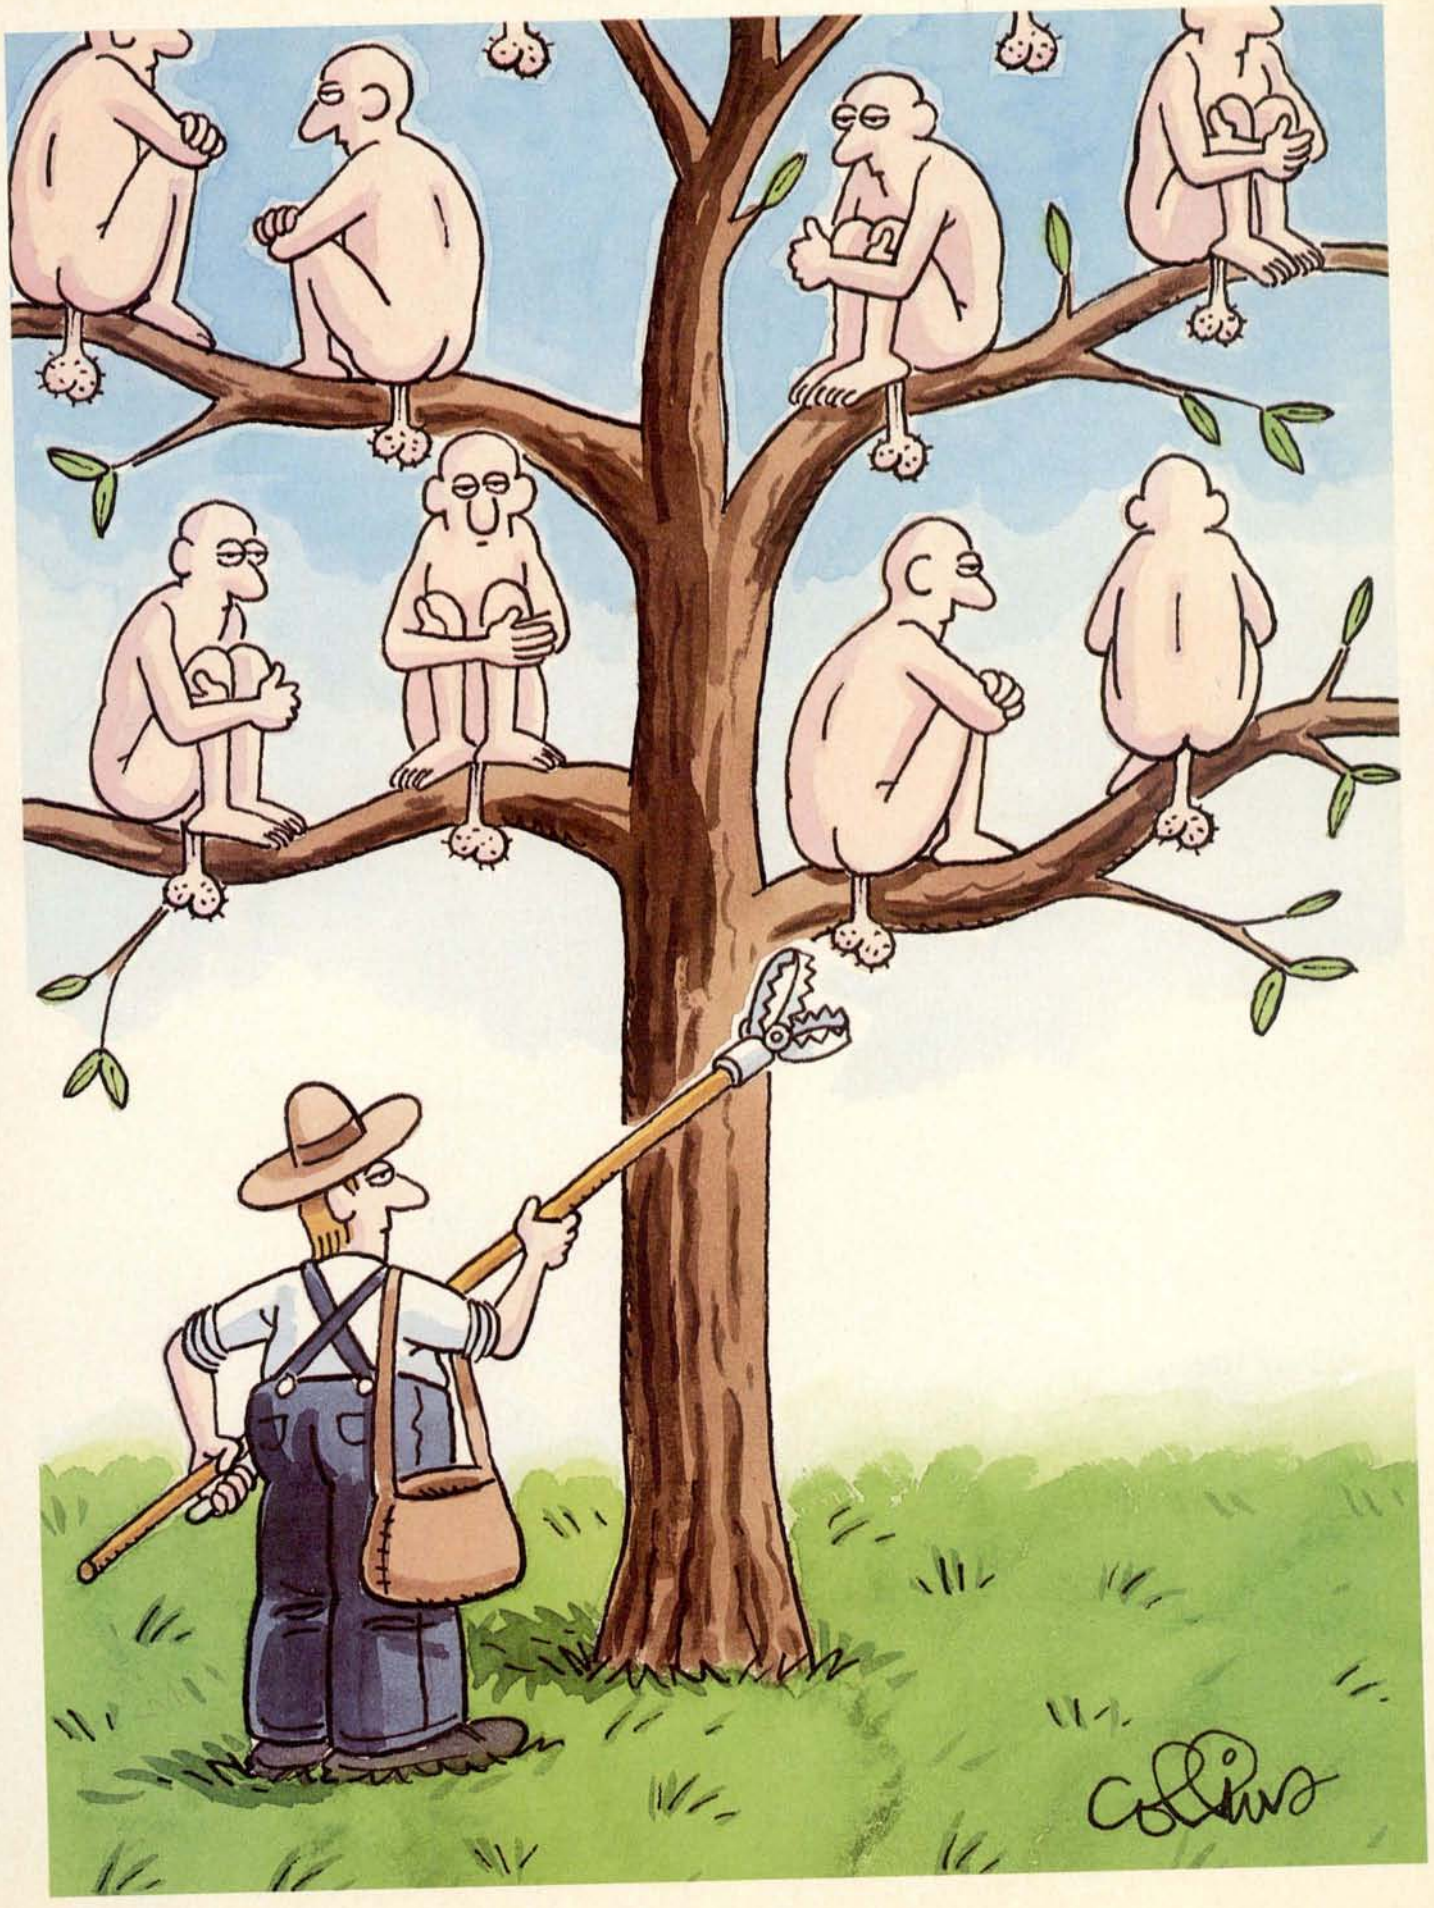

"He phoned us the next day, Saturday, about two in the afternoon," says Ted's high-school friend, Charles. "Joanie took the call. He was all fucked up, way drunk. Crying, laughing, doing his lame rebel yell. Joanie told him I wasn't here, and we hung up. I knew Ted needed help, and I knew he wouldn't do anything about getting any."

* * *

Two days following his disconnection from Charles and Joan, Ted was caught buckling up drunk in his delivery van and given the option of enrolling in an outpatient program for alcoholism. Ted stopped drinking and noticed a dramatic decrease in his queer-bashing activities. He was, however, confused by his propensity for beating up homosexuals. He spent more time than he wanted to thinking about his history of anonymous assault. Three months on the wagon, Ted

Still waters run deep. Though steamy Diane brazenly bares her sleek, copper-toned figure throughout the getaway weekend, no trace of attraction flashes across Tatyana's ice-goddess features.

Desperate, Diane decides it's time to fish or cut bait.

"Tatyana, baby, can I lick you?"

The dam breaks. Wordlessly, Tatyana takes Diane's hand and leads her to one of the crystal-clear pools that dot the mountain retreat. Once submerged in the cool runnings of the pond's pure rills, Tatyana parts Diane's thighs and gently laps, first at the cunt's soft flesh ripples, then up to the taut pucker at the center of Diane's pillowy cheeks.

After several groaning minutes, Tatyana surfaces from her friend's silky wetlands.

"Come on in, girl; the water's fine."

"You can't really hurt a gay guy, which is sort of what bothers me about hitting them. Hitting a gay guy isn't healthy. It's wrong because the gay guys get off on abuse. They like to be hit."

got the bright idea to sell his story to HUSTLER. No money was forthcoming, but Ted needed to air his secrets. Provided we did not use his real name, he agreed to talk for nothing.

* * *

STERNMAN: I'm pissed off at Charles more than Joan. Joan doesn't know what Charles knows. The first time I ever hit a gay guy, Charles was there. We were 17 and stupid, looking for chicks in a porno theater. We'd never been in a porno theater before. Some gay guy crawls up the aisle and puts his head on Charles's dick, blowing him through his pants. Charles was in shock; he couldn't move; so I jumped in and kicked the gay guy in the head. The gay guy was old and pretty weak. He fell on his ass, and I kicked him again. He started wailing bloody murder, making all kinds of racket. Charles hit him too, punched him hard in the head twice; then we jumped up over the seat backs, like hurdlers, and ran for the fire exit. It was hysterical. All these perverts sitting with their rods out, whacking, scared shitless. I think Charles is embarrassed that he ever beat up gay guys. He pretends it never happened. He certainly doesn't want Joan to know anything about him punching out gay guys. Her brother is a gay guy, and she likes her brother.

HUSTLER: You're here to talk about you, not about Charles's wife's brother.

STERNMAN: Sure, but at the start, Charles was responsible for me beating up gay guys. We both got into it. When you're a kid, it feels really good to slug somebody who everybody hates. It feels really good not to be that person.

HUSTLER: You didn't care that you were hurting somebody else for your own ego?

STERNMAN: You can't really hurt a gay guy, which is sort of what bothers me about hitting them. Hitting a gay guy isn't healthy. It's wrong because the gay guys get off on abuse. They like to be hit.

HUSTLER: Nobody likes to be hit so hard that they end up in a hospital emergency room.

STERNMAN: Maybe not for you or me, but a sock on the jaw is like foreplay to a gay guy. It's creepy to realize that you're helping some gay guy get his rocks off, but then it feels so good to beat on them that it's hard to stop.

HUSTLER: Charles stopped.

STERNMAN: Not right away he didn't. Don't get the wrong impression. Charles was never in the car when we went out driving around looking for gay guys to beat up. It would be a spontaneous thing when Charles was involved. Some gay guy would provoke us, and we'd trash him. It was a question of honor. In Texas, it used to be legal to shoot a gay guy if he came on to a straight man.

HUSTLER: Probably it wasn't, and anyway, you're not from Texas.

* * *

When pressed and assured of his anonymity remaining intact, Charles grudgingly admits joining Ted in attacks upon outnumbered, intoxicated or otherwise mismatched homosexual men. "Ted always started it," insists Charles. "I'm saying that to explain, not as an excuse. A bunch of us at one time or another beat up these guys who we judged to be homosexual. Ted is the one person who was there every time it happened. He was always instigating: 'Let's go stomp some fags; let's go stomp some fags.' Guys were going away to college, getting serious girlfriends, starting real jobs. And here's Ted wanting to beat up fags to the exclusion of all other activities. I love the guy, but there was something weird about it."

* * *

HUSTLER: At 18, 19 years old, your core group of male friends bonded by beating up homosexuals. At what point did your buddies outgrow that activity?

STERNMAN: Nobody outgrew it. The problem is that slapping down gay guys isn't politically correct. Homosexuals have a lot of power in society; you never hear anybody say anything bad about gays in the movies or on TV. I dropped out of community college because the homosexual activists were getting course credits for harassing the straight men. I had a psychology professor who pretty much said that I wouldn't pass his class unless I was willing to tongue another man. If you want to get ahead, you have to play their game.

HUSTLER: But you would rather quit school than stop assaulting "gay guys."

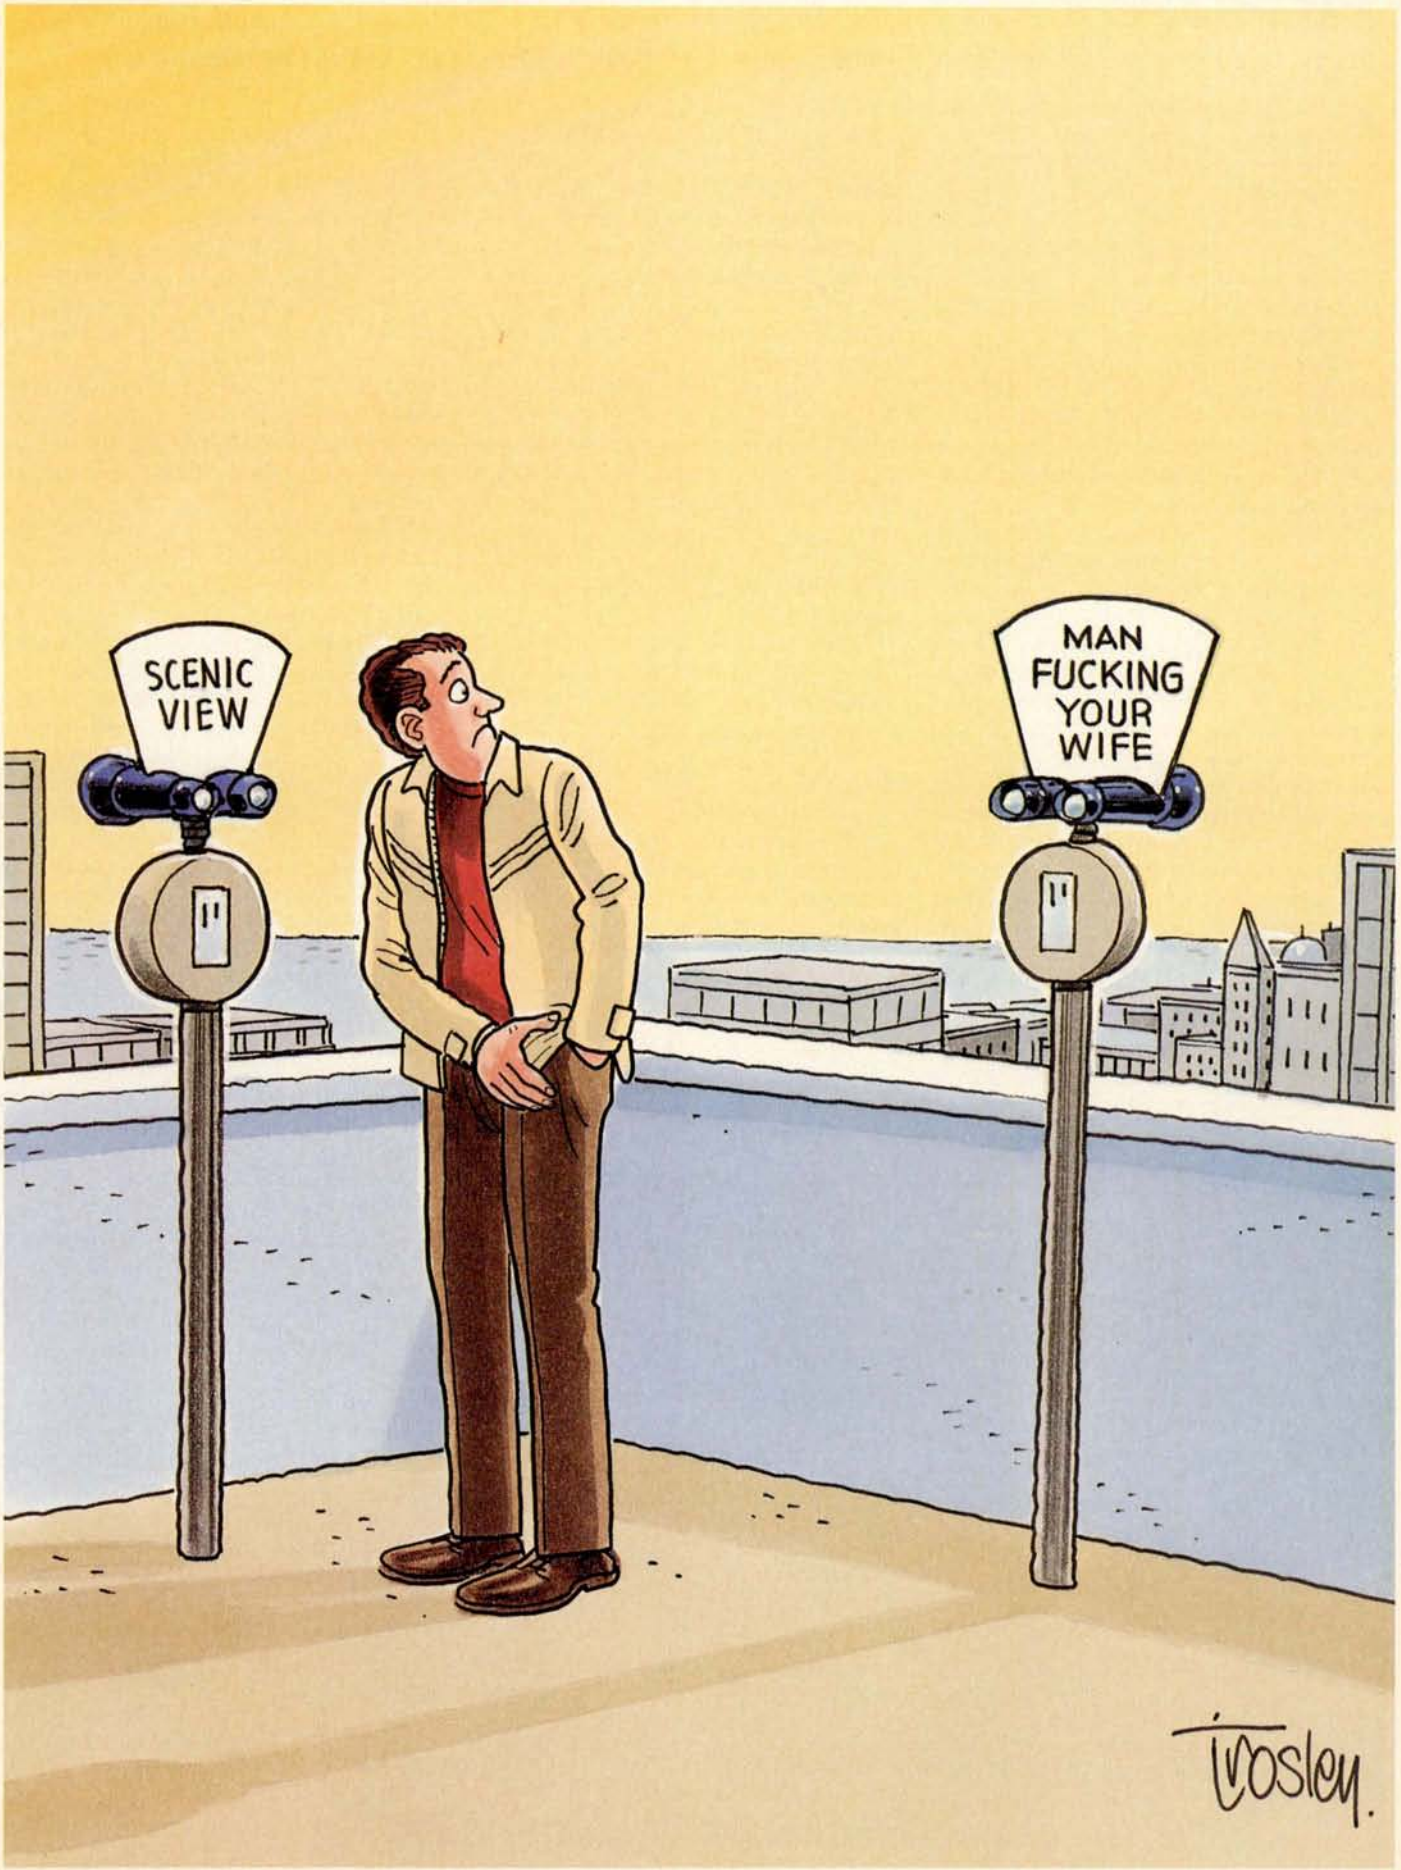

STERNMAN: As far as my friends and the world at large were concerned, I did stop hassling gay guys. I got the message. My partners' girlfriends didn't want to hear about us putting hurt on a gay guy; so I never talked about it anymore. If somebody asked me how I'd jammed my thumb or broke my toe, I'd tell them a lie, that I kicked the wall.

HUSTLER: Why didn't you just stop?

STERNMAN: I truly believed that I was doing the right thing. I'm not so sure now that beating people up helped much, but I know in my bones that homosexuality is wrong. I'm not religious; I don't go by what God's opinion is about homosexuals;

"Ever wonder if it's true what they say about guys with big hands?"

"Faggots can't fight. Faggots lie on the ground and pretend to faint. Faggots beg. Queers love being the victim. Besides, I always make sure that I'm going to win before I go into battle."

I just know it's wrong for a man to take another man's dick up his butt. AIDS is a terrible disease and everything, but why did these gay guys think they could go along sticking a new dick up their asshole every night and not have something terrible happen?

HUSTLER: Why did you continue to commit hate crimes?

STERNMAN: Where are my hate crimes? I'm not a racist. One time me and this black dude friend of mine bitch-slapped a gay guy who called my friend a nigger.

HUSTLER: Were you both getting hard-ons during your assaults?

STERNMAN: It's normal to feel a slight arousal while punching out a gay guy, but to enjoy it too much is crossing the line to being a gay guy yourself. One time I went to a dance club looking for chicks with this dude I'd known for a few months. A prissy gay guy with a big mouth got testy and smarted off. He followed us out to the parking lot, and I knocked him down to the ground beside my car. The dude I was with starts kicking the gay guy, going wild about it. All of the sudden, this dude stops, gets this funny look in his eye and says we should rape the gay guy. I recognize that kind of attitude as sick and queer. I beat the piss out of that dude, left him lying there on top of the other gay guy and never went out looking for chicks with him again.

HUSTLER: You must have been alarmed by news reports of a gay basher on the East Coast who contracted HIV from cutting his knuckles on an infected victim's teeth. That basher eventually died of AIDS.

STERNMAN: Now you see what I mean about homosexuals controlling the media. There's more to that story than the gay guys let through. Nobody gets AIDS by punching somebody in the face. That's a fairy tale. My feeling is that the basher must have squatted on some pipe.

* * *

Prior to his third session of scheduled talks with HUSTLER, Ted Sternman resumed drinking.

"Ted told us he could handle an occasional social drink," says Joan, his best friend's wife. "He came over to the house with a bottle to say that."

"He didn't like the encounter group at the treatment center he'd been sent to," says Charles. "They asked him pointed questions about his parents, his childhood, the rest of his family, how he felt about his boss at work. That kind of probing, especially in front of other people, made Ted uncomfortable. He was drinking while he was describing his unease, and the more he drank, the angrier he got. Finally it came out: The group leader was a fag who had it out for Ted because Ted wouldn't sleep with him. This is what Ted actually believes."

* * *

HUSTLER: You're four hours late. We're all ready to go home here.

STERNMAN: I hate faggots, like everybody does. Is that a crime?

HUSTLER: You fit a homosexual stereotype. Dressed like the eternal adolescent, short hair, polo shirt, jeans, tennis shoes, neatly trimmed mustache, and is that an earring?

STERNMAN: The fags stole the way I look. How pissed off would that make you feel? I'll bust any cocksucker's jaw who looks at me.

HUSTLER: We've got to go; it's getting late. Man, you stink like a brewery.

STERNMAN: Queers think they're fucking smart. All that little-girl taunting when their giggling, queenie friends are around to protect them. Queers mouth off real good. A faggot's full of lip, but he doesn't have the balls to back it up, and that's why cocksuckers get smacked.

HUSTLER: Do you ever worry about one day picking on the wrong "gay guy" and getting your ass kicked?

STERNMAN: Spare me. Faggots can't fight. Faggots lie on the ground and pretend to faint. Faggots beg. Queers love being the victim. Besides, I always make sure that I'm going to win before I go into battle.

HUSTLER: Final words for our readers?

STERNMAN: Faggots hire faggots. So if I'm out of a job, any of you regular guys can be out of a job. It's a lucky faggot that gets AIDS. The ones that don't die have me to deal with.

* * *

Ted Sternman had a busy six weeks. He's sober again and looking at a long dry spell. Arrested for aggravated assault, he is certain to be convicted and faces a three-year sentence enhancement under his state's "hate crime" legislation.

Ted didn't want to talk about it.

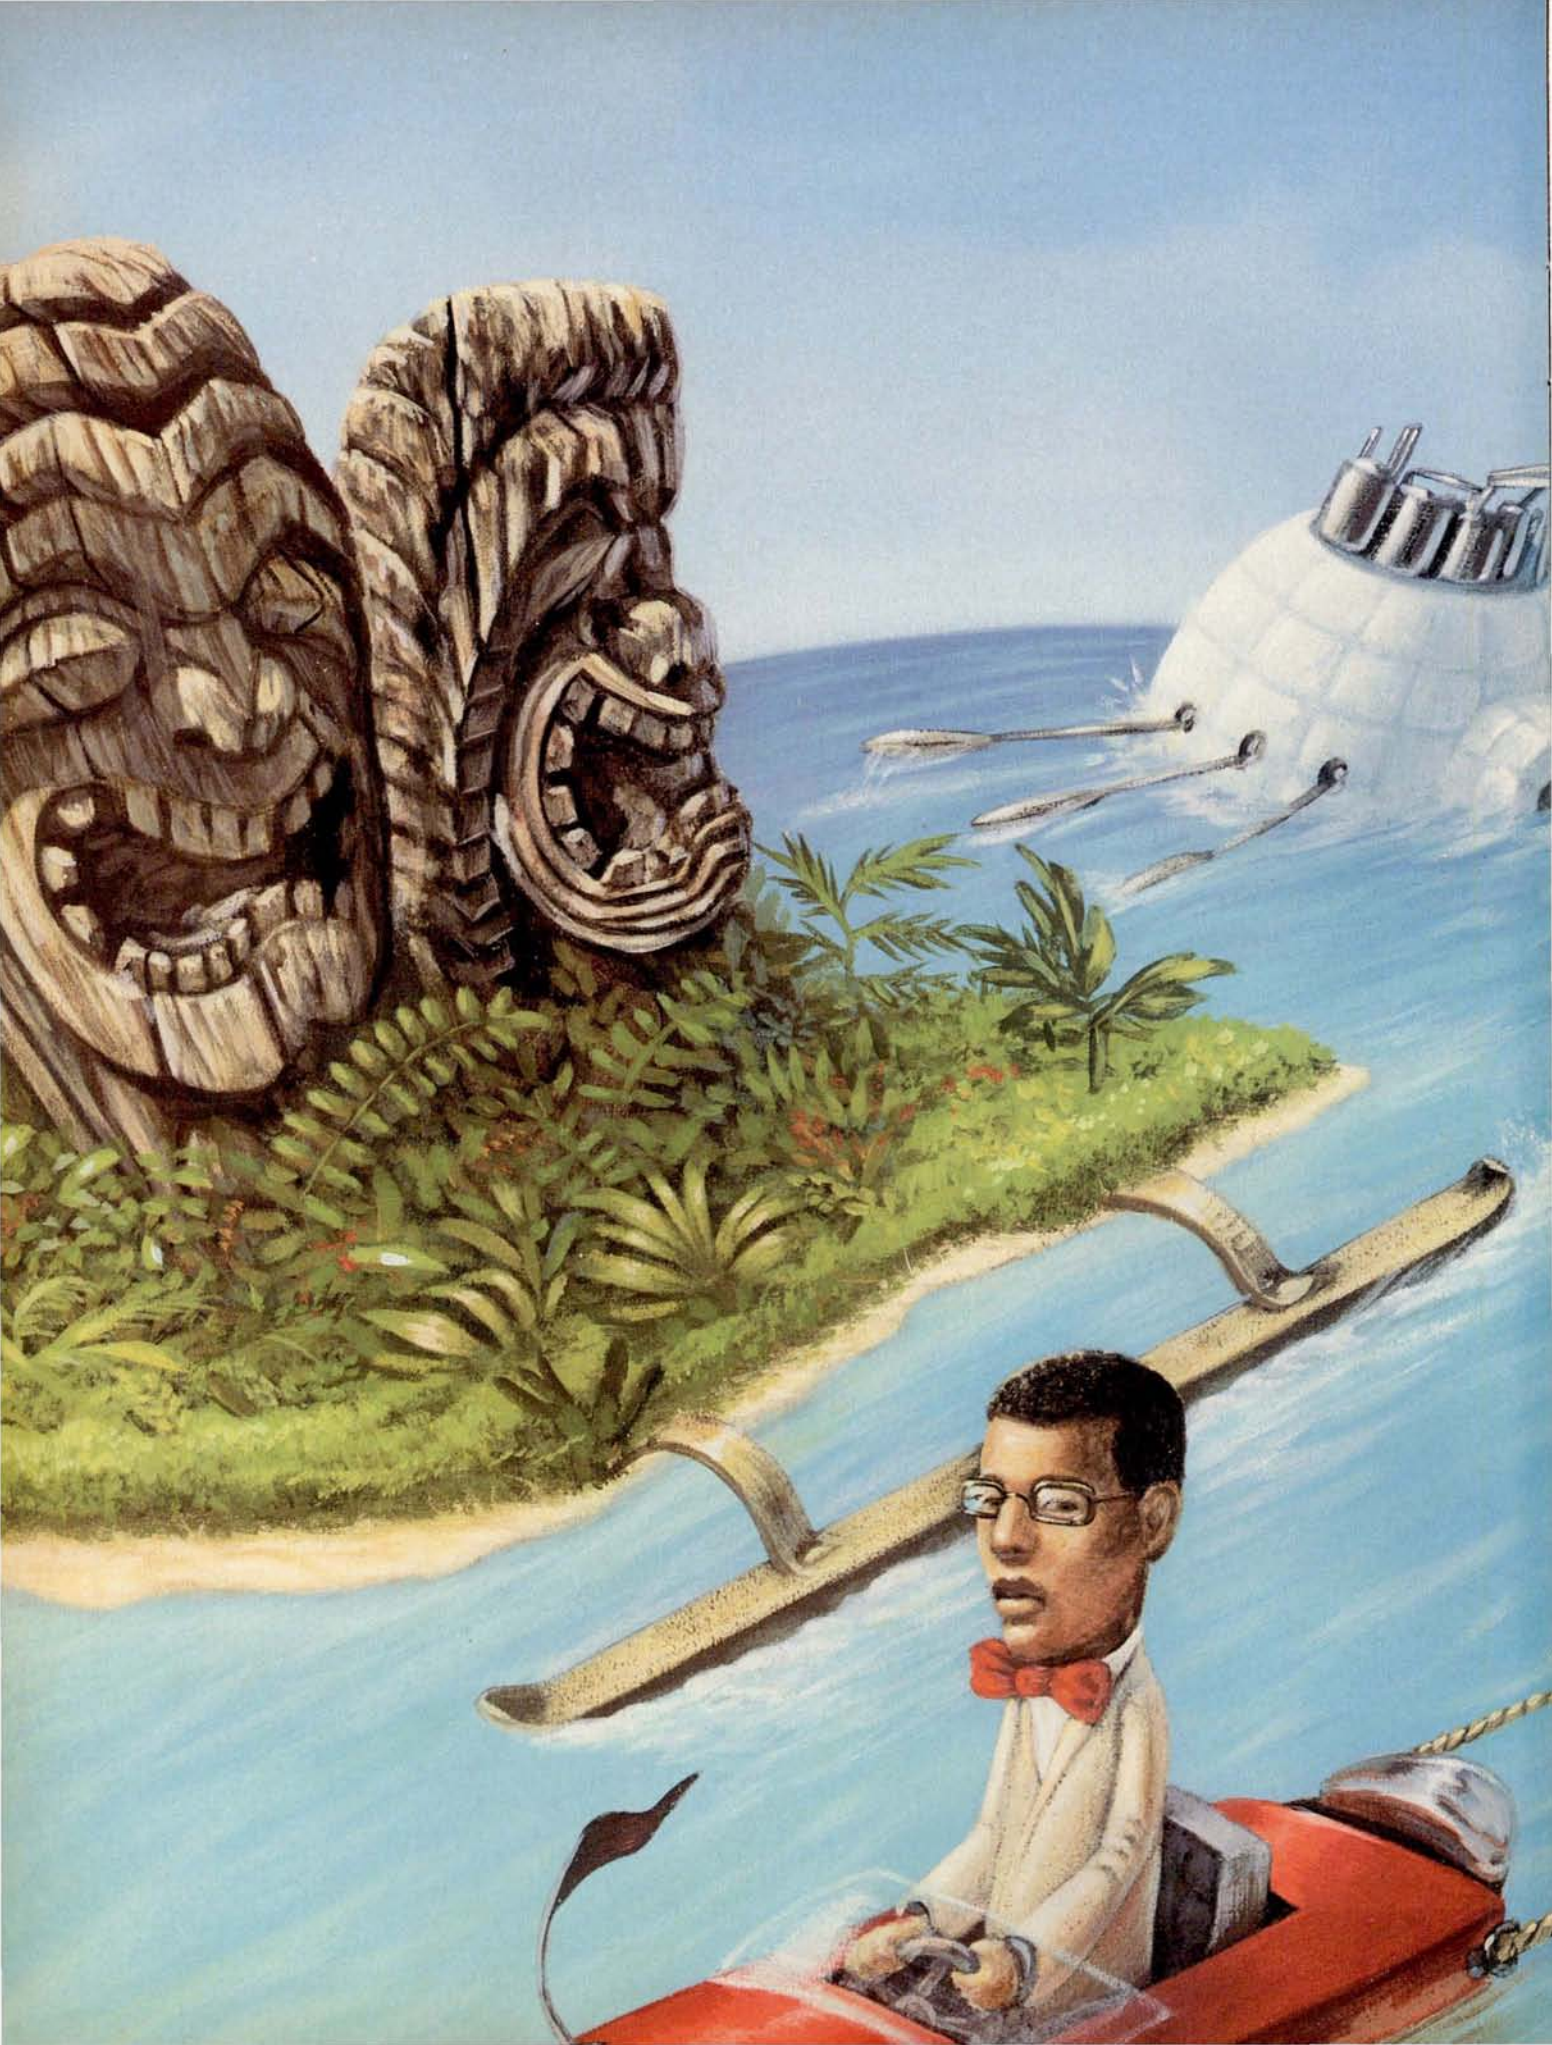

* * *

"I don't mind saying that I saw this coming," says Joan. "Ted went down to some bar, picked up a guy and went back to his apartment. Maybe Ted was drunk and desperate, but some sexual activity took place. That put him over the edge. He went crazy. He might have killed the guy if a roommate hadn't pulled Ted off."

"I don't care if Ted's gay," says Charles. "I can accept him for whatever he is, if only he could accept himself."

THE RISE OF SECESSIONISM IN AMERICA

Report by Gregory Daurer * Illustration by Robert Jew

Recalling the fury of last century's Confederacy, American factions ranging from Black Muslims to white militias are fed up with the federal government in Washington and bent on breaking from the union. Whether hailed as Paul Reveres or reviled as Benedict Arnolds, these modern-day minutemen want the Beltway off their backs, and Uncle Sam is boiling in his own melting pot.

Secede

Americans are seething about high taxes, federal intrusions on states' rights and the loss of personal freedoms. "The call for secession is the equivalent of saying, 'We want out! Stop governing us.'"

• January 1993. On the 100th anniversary of the U.S. overthrow of the Hawaiian monarchy, native Hawaiians hold a massive rally calling for independence. Governor John Waihee shows support for the movement by ordering the temporary removal of U.S. flags from the statehouse. Mililani Trask, head of Ka Lahui Hawai'i, the state's largest pro-sovereignty group, vows increasingly aggressive tactics in the fight for autonomy. "Things are going to get a lot worse before they get better," Trask warns.

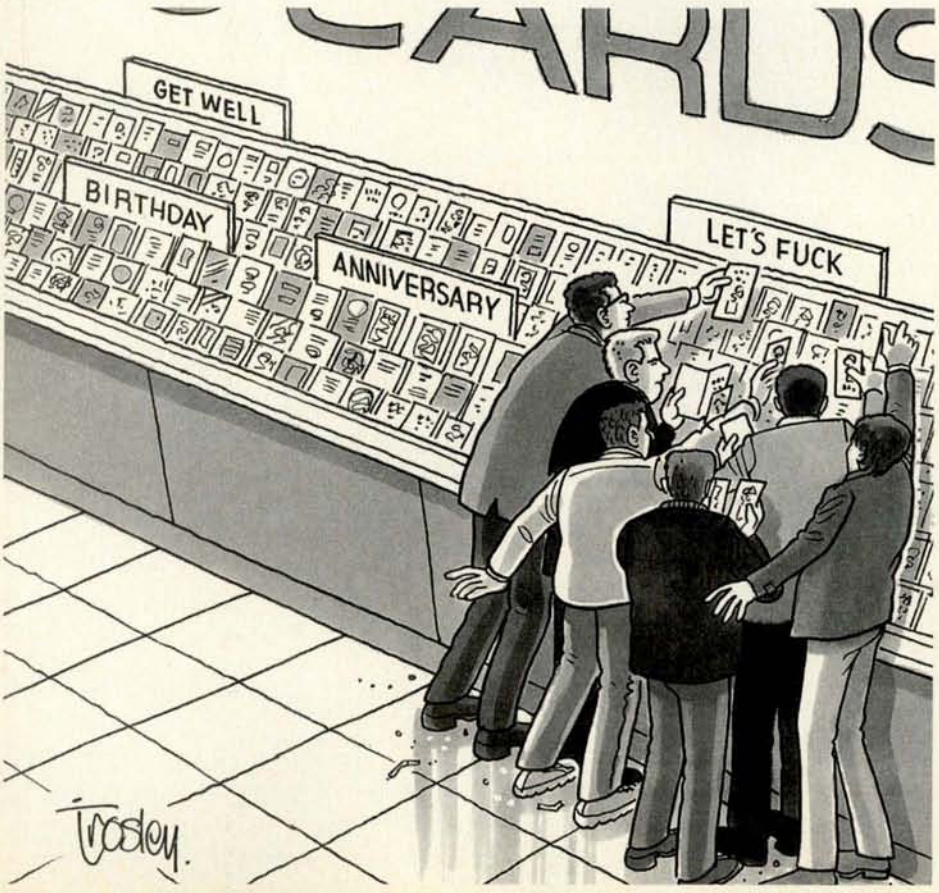

• April 1994. Outlining their political program in *The Final Call*, the official organ of Louis Farrakhan's Nation of Islam, Black Muslims proclaim: "We want our people in America...to be allowed to establish a separate state or territory.... We believe that our former slavemasters are obligated to provide such land—and...maintain and supply our needs for the next 20 to 25 years...."

• April 1995. Charles Duke, a state senator from Colorado Springs, Colorado, hypothetically proposes the seizure of federal tax funds by state treasuries. Angered by the assault-weapon ban included in the President Clinton-backed crime bill, Duke protests Washington's infringements on state power: "Secession is inevitable if we cannot return the federal government to its Constitutional box."

• March 1996. A group of ten or more members of the Freemen, a radical white-separatist faction, force an armed standoff with federal officials on a private ranch in Jordan, Montana. The members, refusing to submit to arrest on indictments for fraud charges, do not recognize the authority of the federal government. Militia groups around the country rally in support of the Freemen. Norman Olson, leader of the Northern Michigan Militia, proposes to launch a pseudo-military operation in the rebels' defense. "If this is going to be...where the second American Revolution finally culminates in war," says Olson, "then it's good for a battlefield commander to be there."

* * *

Is America tearing apart at the seams? According to a 1995 survey conducted by Scripps Howard News Service and Ohio University, 82% of Americans think their government is too big. Forty-two percent feel the federal government is actually making their lives worse. "This is a period of continuing and certainly deepening cynicism," says Stanley Greenberg, a pollster for President Clinton.

Americans are seething about high taxes, federal intrusions on states' rights and the loss of personal freedoms. Twenty-two percent of those polled want to "move the national capital out of Washington and divide it into several cities around the country." Talk of secession is in the air.

Llewellyn Rockwell, director of the Ludwig von Mises Institute, an Alabama-based conservative think tank, puts the rising tide of frustration in terms of political rebellion: "The call for secession is the equivalent of saying, 'We want out! Stop taxing us. Stop expropriating us. Stop oppressing us. And finally, stop governing us.'"

* * *

Secession already takes place regularly in the United States.

Long Island, Maine, seceded from the city of Portland. Staten Island, New York, voted to leave New York City. Aventura and Key Biscayne, Florida, both left Dade County. Each community cited substandard services and high taxes as reasons for their departures. Ken Cohen, the executive vice-president of Aventura Inc., the organization that helped to put secession on the ballot, stresses the economic issue. "We were contributing $14.5 million per year to the county in taxes, but were only receiving $7.5 million in services."

Rumblings of secession also register on a larger scale. Nine counties in western Kansas held a constitutional convention in 1992 with the intention of becoming a new state. The sparsely populated region is home to prolific oil and gas wells that produce generous tax revenue for the big cities in eastern Kansas. Noting the huge discrepancy between the amount of tax dollars paid out by the westerners and the meager support given to the rural school system by the state government, Dennis Jones, an attorney in Kearny County, said, "We in western Kansas fear the tyranny of the majority."

"The people out here aren't radical," adds secession leader Chris Concannon, "but I think they've had enough." A popular T-shirt depicted a tornado labeled "51st State" landing in western Kansas under the slogan: "Toto, We're Not in Kansas Anymore!"

Although polls showed a five-to-one spread in favor of secession among western Kansas residents, the attempt has been dropped in favor of a class-action suit against the state.

Honey-hued April enjoys a surprising hobby.

"When my friend first invited me to the golf course, I laughed out loud. I pictured an electric cart packed with bald white guys in Sansabelt slacks."

Once she took hold of a club, she was hooked.

"I love to put my hands around the grip and feel the weight of the head. I concentrate on my strokes, trying to keep my movements compact, quick and fluid. If you do everything right, you'll be surprised at how hard and high you can launch a shot.

"Best of all, I can play this game all by myself."

What's April's greatest joy out on the greens?

"Finding that sweet cup and sinking it in."

Secede

"Secession, or self-determination, is the ultimate right of free men. In the spirit of our founding and Confederate forefathers, we shall, if necessary, invoke that principle once again."

Montana Shooting Sports Association (MSSA) asked their state legislature to introduce a constitutional referendum that would allow a vote on whether to terminate Montana's compact with the United States. The reason: the crime bill's ban on assault weapons.

Marbut fumed, "We have a thirst for freedom in Montana, and we simply will not subsist under the boot heel of federal tyranny. There may be some debate about what the Second Amendment [the right to bear arms] means to the U.S. Supreme Court...but there is no question about what the Second Amendment means to the people of Montana."

The speaker of the Montana House persuaded the MSSA to shelve their proposal, although there was some support in the state legislature. The MSSA will wait and see how the Republican freshmen in Washington handle the "assault rifle" issue before taking further action.

Don Doig, a secession advocate, thinks 30% of the population would have voted for independence. "It might not have passed," he admits, "but it would have garnered a significant proportion of the vote and certainly would have gotten people thinking about what the options are. And that was the idea—to get people thinking."

"We will keep our freedom," Marbut has vowed, "even if it means going on our own, just as the nation states of Eastern Europe have done."

* * *

"If it sounds good in Lithuania, it'll play great in Dixie!" declares a manifesto for the Southern League, a group that agitates for the "balkanization" of America.

Based in Tuscaloosa, Alabama, the Southern League formed in 1994 "to fight a tyrannous central government that refuses to be restrained by the Constitution." Dr. Michael Hill, the organization's president, believes that the American South constitutes a culturally and historically distinct "nation" that suffers under the yoke of Washington's oppression. He envisions the benefits of independence: "If the 11 states of the old Confederacy were a nation, its gross national product (GNP) would place it among the top five or six nations in the world. Its laws would better reflect the natural conservatism and Christian roots of the Southern people. Our laws on gun control, abortion, school prayer and immigration would without question be different."

Hill feels the time is right for self-rule. "Secession, or self-determination, is the ultimate right of free men," he says. "In the spirit of our founding and Confederate forefathers, we shall, if necessary, invoke that principle once again."

* * *

Not all voices in favor of secession are fervent with rebellion. In his book, *Downsizing the USA*, Thomas H. Naylor, a professor emeritus of economics at Duke University, holds that secession is a practical response to an America grown too big to govern properly. He argues that, "through an unwieldy combination of big military, big business, big labor and big cities, we've created a completely unworkable mega-nation that defies central management and control." Naylor suggests that the U.S. begin to assist states to secede peacefully and to amicably resolve property disputes between itself and its former territories.

Naylor recognizes the inflammatory nature of such a suggestion. "There are few subjects that are more politically incorrect than secession," he adds. "Yet in places like Eastern Europe and Quebec and the former Soviet Union, secession is associated with freedom, democracy and independence—which was the case when the United States was founded in 1776. But now you mention secession to liberals or conservatives in this country, and they just cringe. Regrettably, I think the problems have to get worse before people realize that size itself is a major problem with what's going on in our country today."

* * *

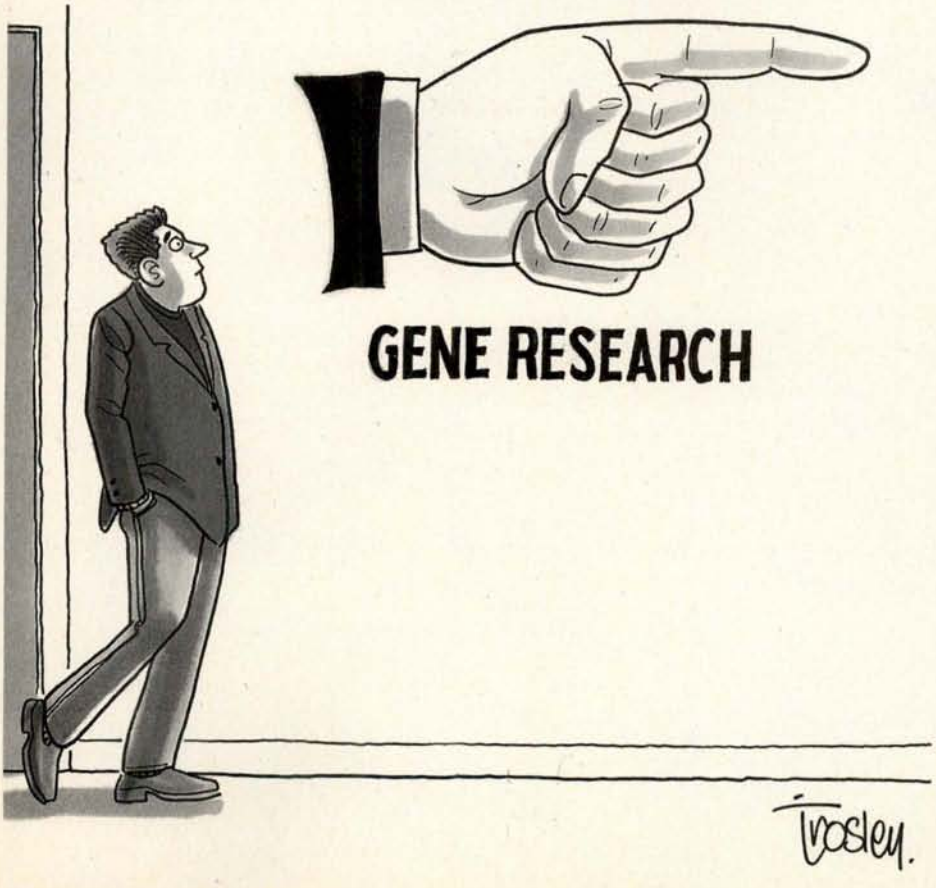

Secession has been compared to a bitter marital divorce filled with irreconcilable differences. Constitutionally, it is perfectly legal for most states to file separation papers. But spurned spouses possess a potential for violence.

When the nine western counties threatened to break from Kansas, the *Leavenworth Daily Times* suggested that the secessionists be crushed by Kansas National Guard troops. "After two or three days of air strikes, Kearny and Stevens counties could be softened up for a ground attack," crowed an editorial. "When they finally fall, the state should appropriate all the property, which could be sold and used for tax relief in eastern Kansas."

Stakes in this political endgame are extremely high—especially if the seceding territory is prime real estate or holds strategic military value. Naylor comments, "If a state like Vermont, Alaska or Hawaii were to try to secede, I'm not convinced the response from Washington would be any different from Boris Yeltsin's over the secessionists' attempts in Chechnya."

The potential for conflict is especially great within the county-supremacy move-

Fire-maned Julia claims a direct line of descent from a family of Scottish nobles.

"According to legend, our clan was always the black eye on the Duke of Edinburgh's court—we made mockery of the stuffy manners and decorum the Brits tried to force down our throats. My ancestor in the Middle Ages, the Earl of Quimshire, was infamous for the trumpeting farts he released at the Lord's round-table dinners. His granddaughter scandalized the realm by mounting the lances of every knight in the kingdom."

Living comfortably off her inheritance in Miami Beach, the ravishing heiress betrays not a whit of shame in regard to her family's bawdy past.

"On the contrary," she demurs, spreading her creamy thighs and massaging her glorious birthright. "I proudly and openly bear the glistening-pink crest of the Quimshires."

A Mexican, a black guy and a Polack were walking down the street when a crazed junkie approached, waving a blood-encrusted syringe at them.

"This needle's infected with AIDS," the junkie shouted. "Give me your money, or I'll jab you with it!"

"Anything you want, *amigo*," the Mexican said, handing over his wallet.

"It's all yours, brother. Take it," the black man insisted, hurriedly passing his wallet over to the junkie.

"Not on your life," the Polack spoke up, defiantly crossing his arms. "You can't have it!"

The junkie lunged, stuck the needle into the Polack's arm and ran off.

"What the hell did you do?" the black guy and the Mexican shouted. "He might have given you AIDS!"

"It's okay," the Polack replied confidently. "I'm wearing a condom."

Question: What part of a woman's body shouldn't move when she's doing a sexy dance?

Answer: Her bowels.

After sleeping with a rancid street whore, Jake contracted so many sexually transmitted diseases, his doctors told him there was only one cure: immediate surgery to remove his penis.

Desperate for a less radical solution, Jake consulted an old Chinese herbalist. "I know problem," the ancient Chinese medicine man muttered after examining Jake's sore-covered penis. "You sleep with prostitute, get much sick and go to American doctor. Problem with American doctor, he always think surgery first. He does not consider the natural way of the body and spirit."

"You mean," Jake asked, brightening, "my dick doesn't have to be surgically removed?"

"No surgery," the wise man from the East declared. "You go home, take medicine tea I give you, wait two, maybe three week, and pecker fall off all by itself."

Mary was shocked when her gynecologist told her that she had the biggest hole he'd ever seen. As soon as she got home, Mary removed the full-length mirror from the bedroom wall and placed it on the floor. She stripped off her clothes and stood over the mirror to see just what the doctor had meant.

"What the hell are you doing?" her husband asked, coming into the room unexpectedly.

"I'm doing a new exercise," Mary fibbed, too embarrassed to tell him the truth.

"That's nice, sweetheart," her husband mumbled. "Just be careful you don't slip and fall through that big hole in the floor."

The HUSTLER Dictionary defines a *divorced female* as: a woman without an asshole.

A man went into a bar with ten bucks and asked the bartender if it was enough to get him laid.

"No problem," the bartender replied, taking the man's money. "There's a girl downstairs on the pool table who'll take care of your every need."

The man went downstairs and had a wild time with the girl on the pool table. When it was over, he noticed large quantities of white fluid dribbling out of her snatch. Too nervous to say anything to the girl about it, he ran upstairs and mentioned the unusual milky discharge to the bartender.

"I'm sorry about that, sir," the bartender apologized. "We'll take care of it right away."

The bartender turned to a busboy cleaning off a table. "Pedro, I've got a job for you. Go empty out the dead one. She's full again."

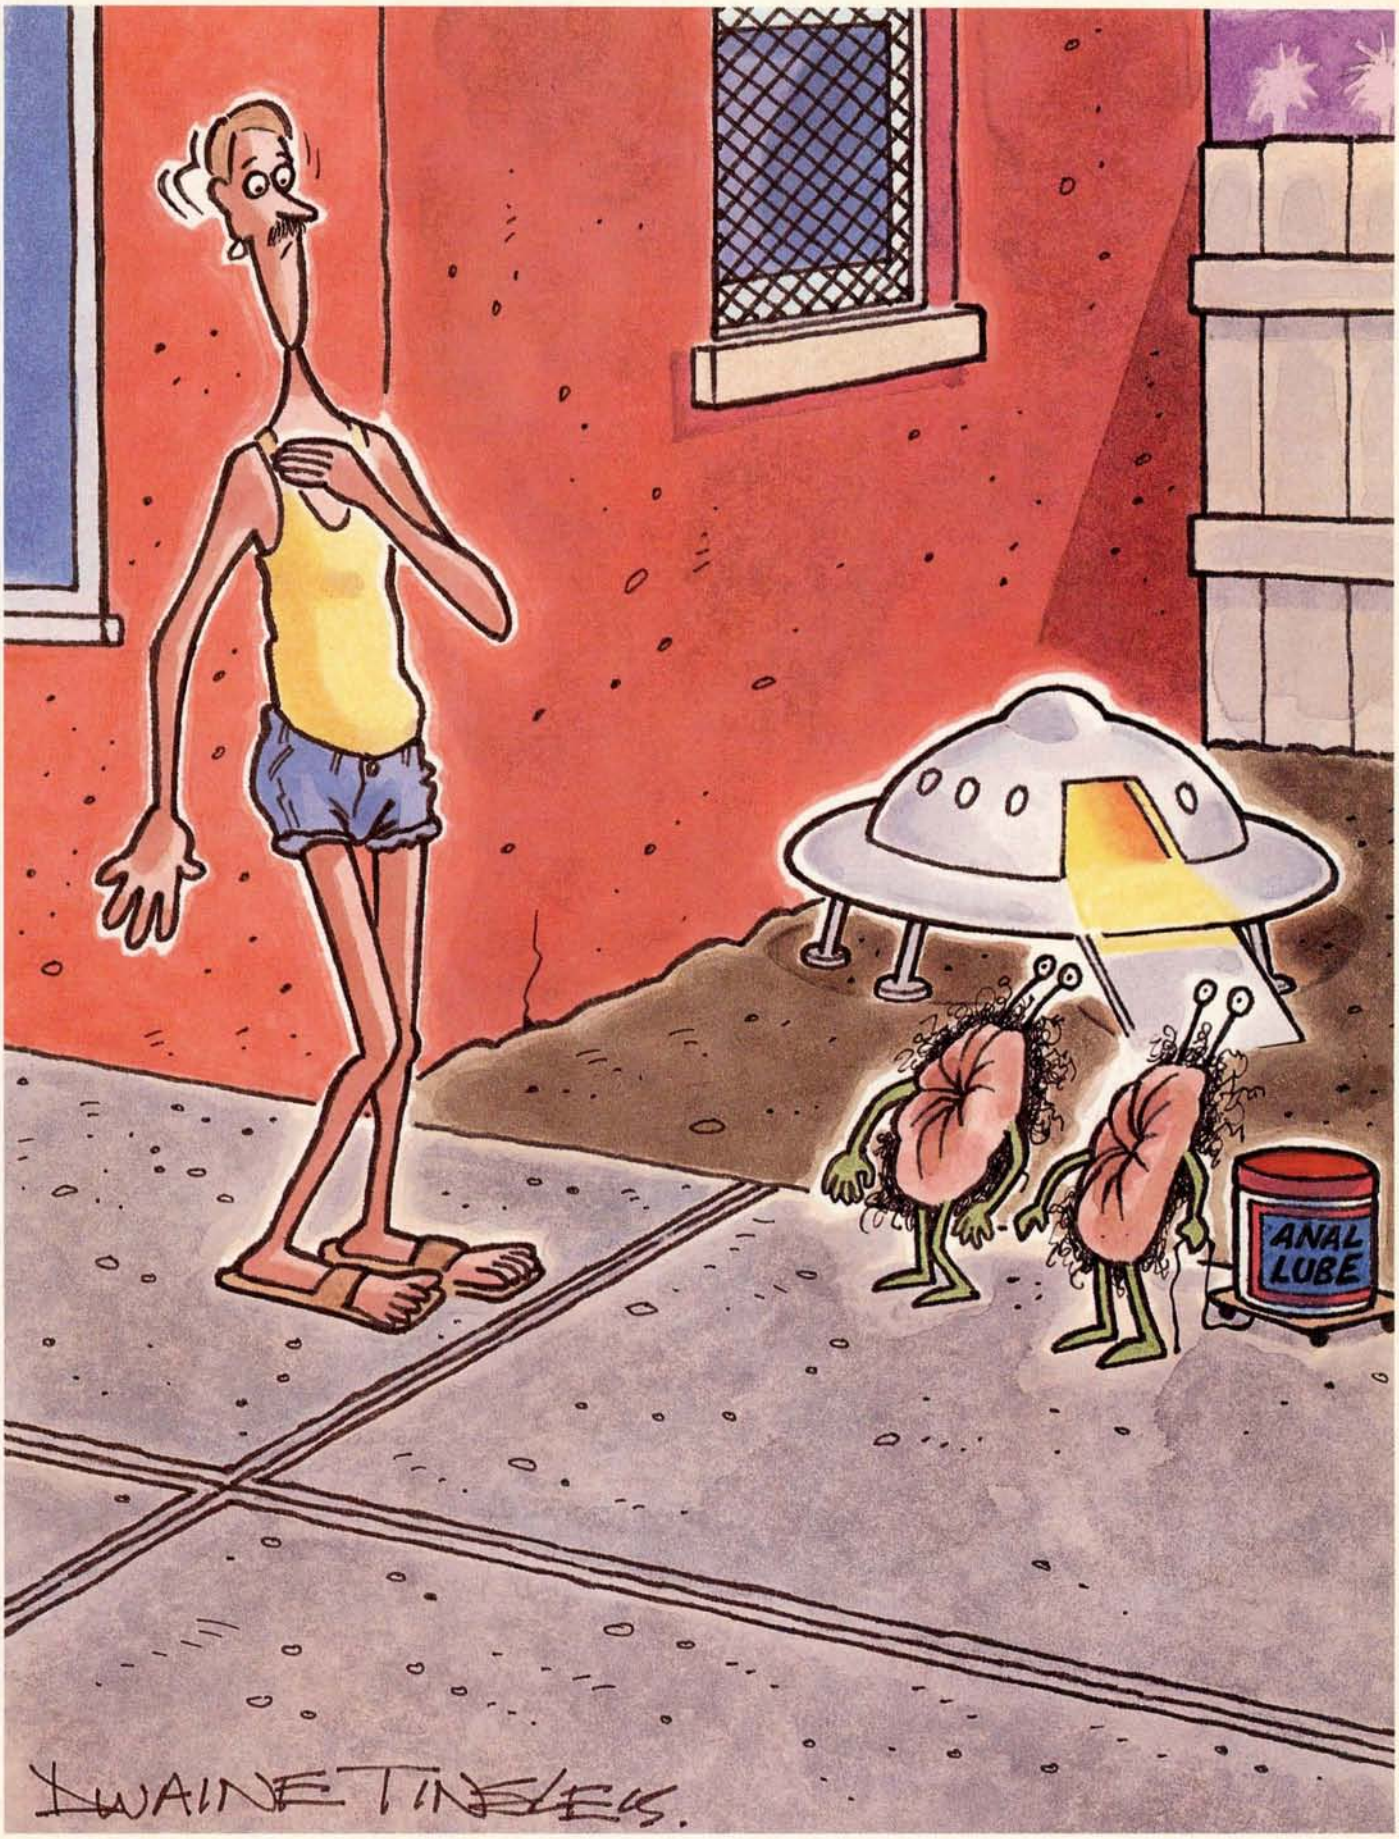

After sleeping with a geisha girl on his business trip to Japan, Bob asked her why she had kept shouting "*yamashika!*" throughout their lovemaking session.

"Because," explained the polite geisha girl, "*yamashika* means 'you are so good!'"

The next day when his Japanese business associate hit a hole in one on the golf course, Bob shouted "*Yamashika!*"

"*Yamashika*?" his Japanese business associate asked, totally confused. "What do you mean 'wrong hole'?"

Brother—Do You Talk Black but Secretly Wish to Sleep White? Put Your Dick Where Your Mouth Is and Read...

The Blackman's Guide to Seducing White Women With the Amazing Power of Voodoo

Guide

I was going to hypnotize the pale-haired daughters of the oppressor...turn 'em out with some acid dipped on the tip of my black nigger dick, and then instruct my cadre of hoze to fuck the white man to death....

Back in the bubble-toed '70s, after Jimi choked on his vomit, but before Nixon faced the bull(shit) in the arena, my posse of platformed homeboys and I hid behind the hedges in the high-school parking lot, smoked toothpick-thin sticks of reefer rolled from shot-glass nickel bags, swigged chilled Strawberry Hill, and discussed the future following our impending graduation.

Sporting broad-brimmed *Mack* hats on the sides of our big, bushy, and bulbous Afros, we had nicknames like Shaft, Sweetback, Truck Turner, Superfly TNT, and Willie Dynamite.

My tag was Hell Up in Harlem. And, like my polyester party-pals, I wanted to be a pimp.

Why I thought I'd be more successful at pimping, instead of, say, *drug dealing* is a question I'm baffled by to this day.

My entire range of sexual experience, at that point in my young life, consisted of one isolated incident with a 14-year-old pepper-faced blonde I dry-humped against a Coke machine in the New England boarding school I attended some years before.

My virginity notwithstanding, I was determined to be a pimp. Not a gorilla pimp like Iceberg Slim, but a *guerrilla* pimp who understood the world according to Fanon, and had the physical prowess of Bruce Lee, but dressed better than the average member of the Black Panther Party.

As I explained this to my pack of pot-puffing playmates, Sweetback looked up from his joint, coughing reefer smoke.

"Shit, nigga, is you trippin' out wid dem whyte boys on dat acid again or what?"

"Naw, brutha, I'm gonna be a pimp with a *revolutionary* agenda! My face is gonna be *stenciled* on walls throughout the third world, right alongside Che Guevara!"

"Sounds like somebody slipped som' Led Zeppelin in da sleeves o' yo' Funkadelic albums, nigga! You trippin'!"

"Naw, nigga, I *reads* my Uncle Ho! I gots the Cong down cold! My shit is *skulled!* Remember, the Panthers said: *'Political power begins at the lips of a pussy!'"*

"Pimpin' be 'bout controllin' da bitches, not some Black Panther bullshit! When da bitch hol' out on yo' money, what you gon' do? *Quote Chairman Mao?"*

My comrades roared with laughter. Once the laughter subsided, I struggled against my feelings of embarrassment and outlined my simple pimping plan.

I envisioned a bloodless coup. I was going to hypnotize the pale-haired daughters of the oppressor with the rhetoric of third-world liberation SLA General Field Marshal Cinque style, turn 'em out with some acid dipped on the tip of my black nigger dick, and then instruct my cadre of politically correct hoze to fuck the white man to death in the name of oppressed peoples everywhere.

I had no conception of how to initiate my plan until I enrolled in college a full five years later. It was the college the sixties wouldn't forget. Never mind the Sex Pistols. John Travolta didn't happen. The campus was located on fertile grounds near the Long Island Sound. God-eyes twirled in the doorways of candle-lit bedrooms perfumed with incense. Voices droned tunelessly over battered folk guitars in the hallway. Heavy-bosomed women in floral-patterned peasant skirts believed reading *The Hobbit* would somehow mend their drug-addled brains. It was John Lennon and Yoko Ono singing "All We Are Saying Is Give Peace a Chance" *twenty-four fucking hours a day!!*

Many went mad and hung themselves. Suicide by macrame.

Among the men there were two brothers—myself and a cat with a gigantic, wild-man Afro from rural Alabama who had a large library of Blowfly albums. I called him Alabama Blowfly.

Alabama insisted if you quoted Eldridge Cleaver's *Soul on Ice*, white girls magically dropped drawers and gave up the pussy.

He was also a Muslim. I hadn't realized this until a buxom grain-fed wondergirl of the midwestern heartland had grossly misinterpreted his intentions.

With salty tears balanced on the rims of his lower eyelids, Alabama fell to his knees, and in the name of universal love for all humankind, *begged* her for some pussy.

She said *no.*

The nigga went nuts!

Overnight, his jeans, the two ducks fucking on his "Fly United" t-shirt and his Chuck Taylor Converse All-Stars were replaced by a white robe, a skullcap and a pair of cloth slippers.

Every morning at the crack of dawn he knelt on his prayer mat howling at Mecca, fervently begging Allah's forgiveness for being led astray by that "devil white girl" with the big *Playboy* titties.

I didn't have his problem.

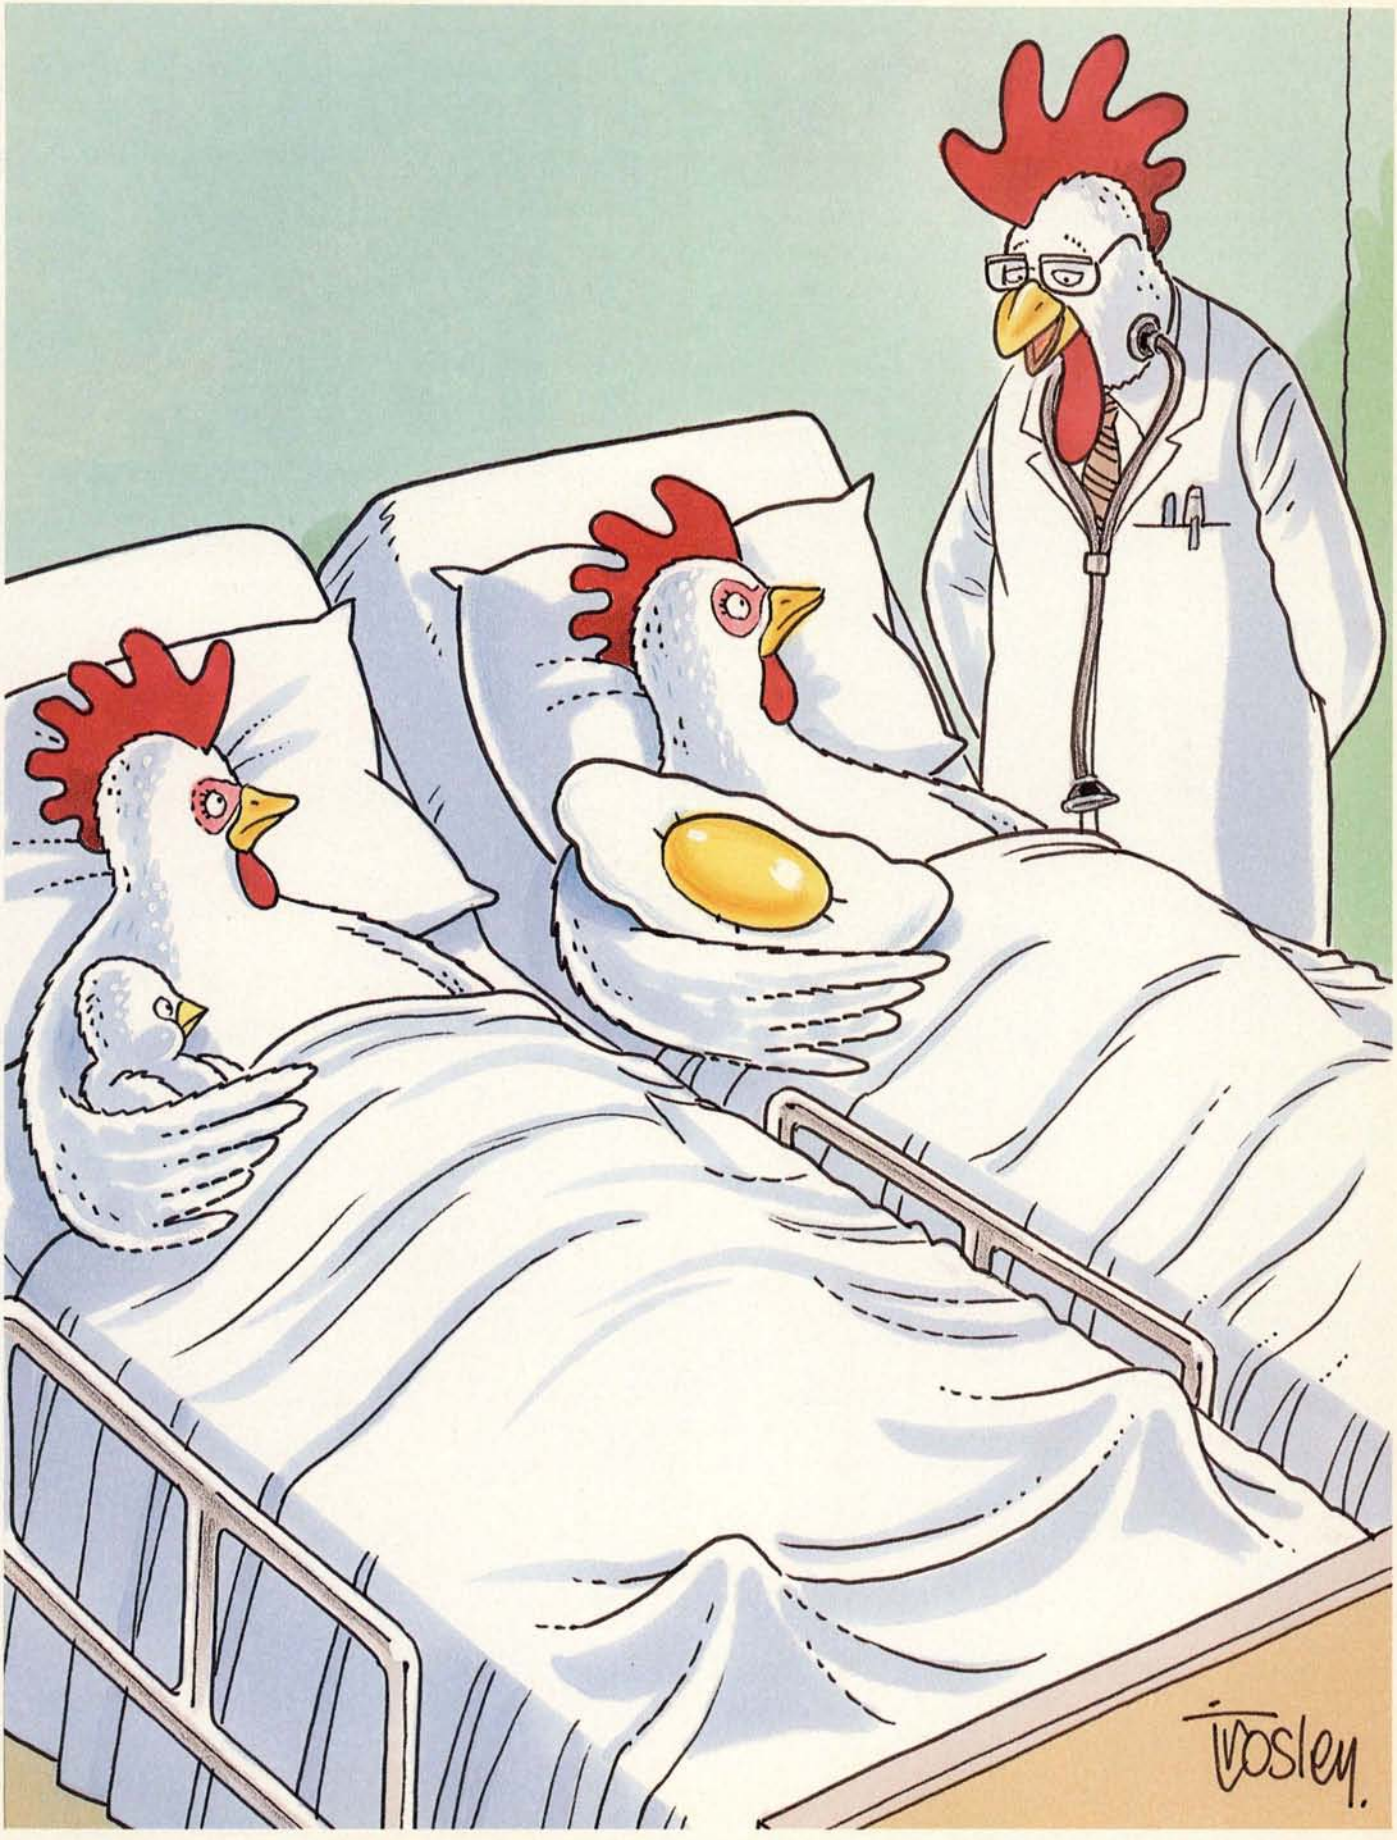

I squandered my time on campus by guzzling cheap Californian jug wines, gobbling psychedelic fungi, and laying up with busty, big-nippled nymphs who stank of patchouli oil and stale reefer smoke—women of pure pagan *instinct.*

One woman had an affinity with night

Big Jax pitches a tent. Brianna helps him get it up.

"Spread it there on the ground, baby," directs Jax, "and let me lay this stake."

Following orders, the bosomy blonde makes ready as Jax aims his heavy tool. Shifting position underneath, she gives him a clear shot.

"Drive it in hard, Jax. Let's get it right the first time."

Jax grunts with exertion, sweating profusely under the midday sun. Circling Brianna, he nails all three holes. The fit is snug and tight, especially when he plunges his rod into the final loop in the rear.

Brianna arches her back and strains to get the spike in. Slowly, the shaft enters the small ring.

Now they've got it made in the shade.

and taught me to traverse its blind darkness with surefootedness. Another communed with water and could divine the future by its rippling surface.

This water witch and I would make love on the shores of the Sound at night, our brains basting in savory psychedelic sauces; her sandy hips rolling beneath me, crashing like waves on the beach.

Most coeds, though, had no more doodled on the slates of their Etch-A-Sketch brains than reggae lyrics and the outline of Bob Marley's cock. I'd approach a group of these young women squatting in a circle on the grass, strumming guitars and smoking pot, saying:

"If smoking dope doesn't damage your brain, why do so many Jamaicans believe a dead Ethiopian is god?"

Smoke would sputter from their mouths and their eyes would narrow into hateful slits.

Still, I got laid. *A lot.*

And by women with an amazing, tantriclike control of their pussy muscles. I don't mean bland, lackluster pussy with the consistency of wet Wonder bread. I'm talking about *trained* pussy. *Athletic* pussy. Pussy with a firm undulating grasp, clamped so tightly around the shaft of your cock, you don't come unless it says so.

And when you do come, the pussy snaps, barks, and farts in eruptive orgasm, sending bolts of heat spiraling through the barrel of your dick, and out your asshole, leaving a luminous blue ring revolving above your head.

Good, home-breakin' pussy.

Now I don't have any money, my breath stinks of beer and stale cigarette smoke, and my hair is a scraggly nest of unkempt pickaninny knots. So why did I get all that abundant white-girl pussy whereas Alabama Blowfly was left to beat his meat to the Koran?

I practice Voodoo—the *true* religion of the Amerikkan Blackman!

CHAPTER ONE: WHO SAID BLACK MEN DON'T EAT PUSSY?

Timing is the key factor in the practice of Voodoo. A good witch must know how to read the signs.

I learned to pay close attention to menstrual cycles. On campus, I observed that women who lived together menstruated almost simultaneously. One woman's menstruation, a dominant, initiates the cycle for the others. This situation frequently occurs among roommates, biker babes, and women in all-girl rock bands, especially if the band is on tour.

Why is this information you need to know?

Many women are very horny either before, after, or during their menstruation. And sex eases the pain of menstrual strain.

So prepare to chow down, brutha, *and earn those red wings!*

The height of menstrual activity on campus occurred when the moon was at its fullest. By keeping track of the phases of the moon, I could calculate who was bleeding and when. I became so proficient at this practice I actually developed a nose for detecting its warm, earthy aroma in the air.

WARNING: MENSTRUATING WOMEN CAN BE UNUSUALLY AGGRESSIVE.

Living in a coed dorm with few men during a full moon is like being trapped in a den of cats in heat. I endured shrill whining, tits brushed "accidentally on purpose" against my arm, and, sometimes, I literally had asses pointed in my face.

YOU HAVE NO CHOICE, YOU MUST GIVE UP THE DICK. REPEAT. YOU MUST GIVE UP THE DICK. IF NOT, IT WILL BE RIPPED FROM ITS SOCKET, MOUNTED ON A STICK, AND USED IN SOME UNSPEAKABLE GIRL RITE UNDER THE FULL MOON.

Lastly, in the Hoodoo tradition, a mixture of African and Celtic folk magick, it is said that if a woman feeds a man her menstrual blood he will fall hopelessly and uncontrollably in love with her. So, if she invites you over for a home-cooked meal, I advise bringing along a dog, slipping the animal a portion from your plate. And if the dog humps your leg....

CHAPTER TWO: HOW NOXIOUS ODORS CAN WET THE CRACKS OF THOSE YOUNG WHITE PUSSIES

Odor from a strong, foamy lather of underarm perspiration is a pretty effective people repellent—*but*—that social liability can be turned into a social asset. Smells attract as easily as they repel. Animals are aroused by smell. People are too.

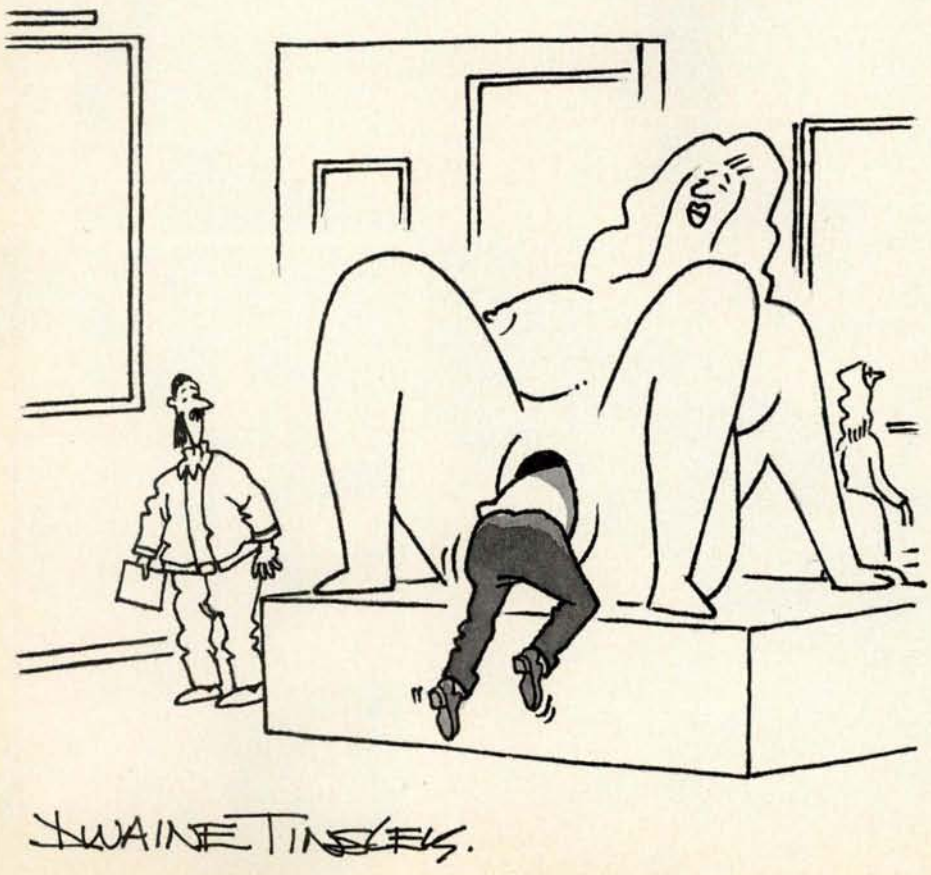

With the right combination of scented oils, you can enhance your natural body odor to arouse the sex urge in others. Mixed in balanced combination, these oils are: *cinnamon, patchouli, almond, sandalwood, and jasmine.*

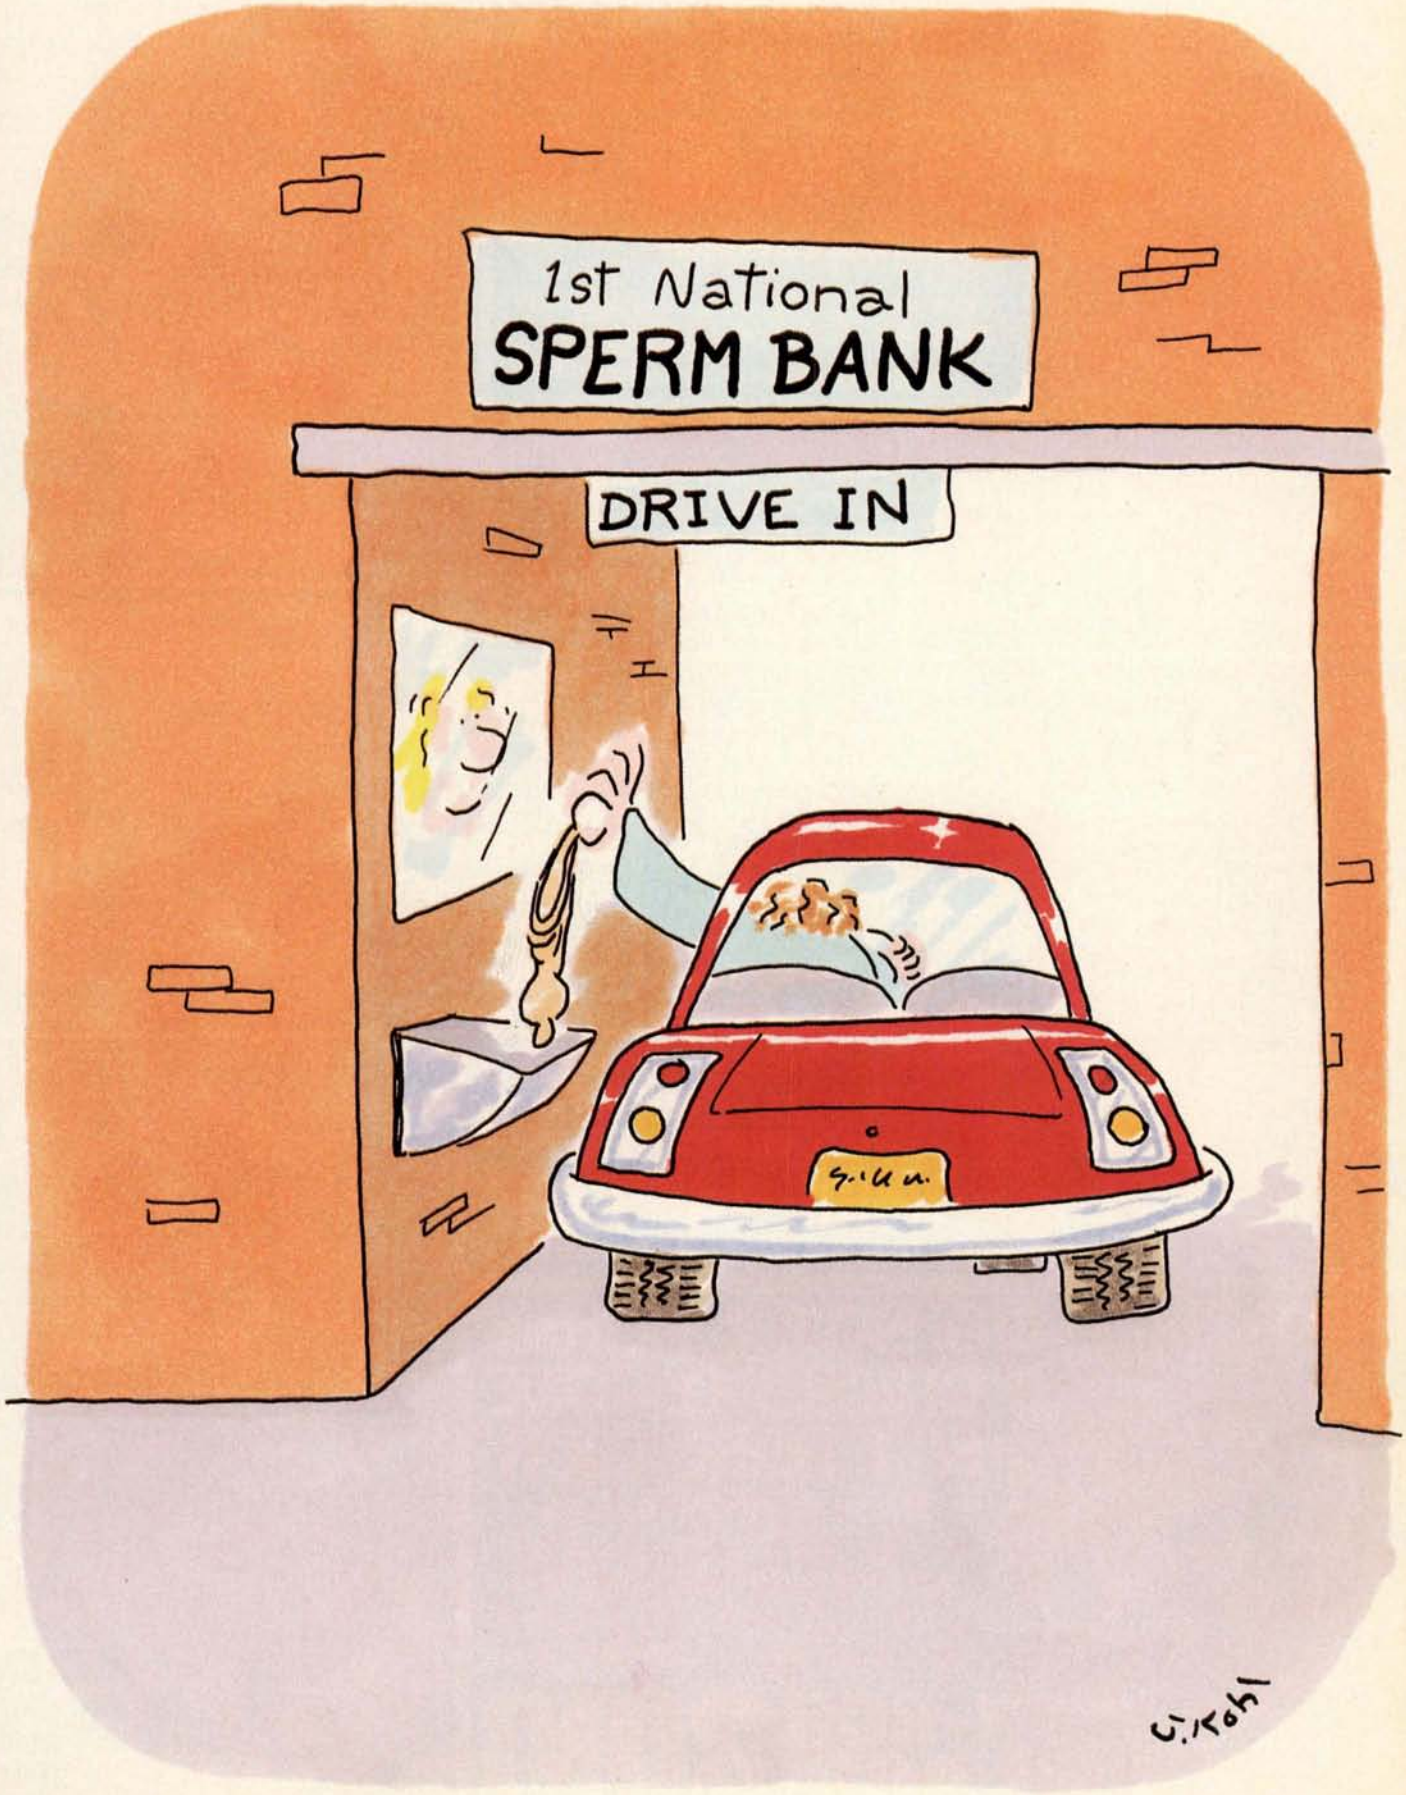

Blended with your body's natural oils, the mixture enhances your animal sex appeal. One fourth of this mixture is cinnamon oil, an oil believed to exude the essence of Scorpio, the astrological sign ruling the sex organs.

This oil should be applied sparingly or poured into a bath. The cinnamon burns a bit, a sensation lasting under thirty seconds, so I don't advise rubbing it directly on your balls.

Don't overuse the oil. If you do, you'll

Your goal is to make her wet and tingly between the thighs. The ear is an erogenous zone. You can accomplish almost as much by whispering in her ear as you can by tongue-flicking her clit.

end up smelling like some tie-dyed neo-hippie, killing the oil's overall effect by masking your real odor rather than enhancing it. Your natural odor is what draws a potentially compatible sex partner to you. The scent is subtle and detected subliminally. As she approaches, you will notice her nostrils flare with desire.

You have a potential bedmate standing before you. Gaze into her eyes and begin to work your spell of *Fascination*.

CHAPTER THREE: HOW YOUR SIGNIFYING MONKEY-ASS CAN WIN FRIENDS, INFLUENCE PEOPLE, AND SCAM PLENTY O' WHYTE-GAL BOODY TO BOOT

According to *The Dictionary of Contemporary American Usage*, to fascinate is to hold by enchantment, *to charm*. This means your most important magickal weapon is your *personality* but you must follow these three basic rules:

1. Intent eye contact
2. Physical contact
3. Breath contact

One classic tactic of girl-hustling involves a basic element of Fascination—whispering in a woman's ear. It's intimate, erotic, and effective.

Slouch against a wall, standing so your mouth is level with her ear. Speak slowly or mumble. She will automatically draw closer to you in order to hear what you have to say. Keep her pinned with your gaze, hold her there, and don't let your eyes wander.

As you speak, breathe on her neck and gently drop your arm around her shoulder. Be casual, but most important, be *empathetic*.

Watch and listen to the woman snuggled in the crook of your arm. You want her to understand that you are interested in *her* and not what unusual tricks she might know with your cock in her mouth.

Read her feelings, respond intuitively, and speak in a soothing tone of voice. It inspires confidence. The sound of your voice projects how you feel. How you express what you feel and what feelings you inspire is of primary importance. Words *stir* the emotions. Chose strong, evocative and emotionally charged words.

In a state of heightened emotion one is susceptible to hypnotic suggestion. Use your words wisely and stir up a heady intoxicant. Your goal is to make her wet and tingly between the thighs. The ear is an erogenous zone. You can accomplish almost as much by whispering in her ear as you can by tongue-flicking her clit.

CHAPTER FOUR: SPELL-CASTING

When practicing any form of magick, the first step is deciding what it is that you truly desire, and the next step is asking yourself what are the best circumstances under which you might achieve that goal.

Your goal must be realistic. No matter how expert your spell, the centerfold babe taped to your wall will not mysteriously come to life and materialize in your bed. You must have a clear and realizable magickal objective based, not on fantasy, but on real emotional need.

Clarify your intent in a journal. Describe your desire. What are its attributes? Its strengths? Its weaknesses? Reduce the information recorded in your journal with a few concise sentences, then visually codify these sentences into symbols for use in the ritual you will perform later.

Next, select objects you associate with your desire, objects which appeal to your senses: music, scents, foods, textures, drawings, etc. These serve to intensify your emotions during the actual ritual. In fact, it's a good idea to actually draw pictures of what you desire or create images out of wax, clay, wood, etc.

This activity can be compared to programming a computer. You're etching a function on your psyche. Through these preparations, you are building up an energized emotional force you will later release in a focused and directed fashion during ritual.

In order for this force to travel, you must create a "magickal link." If this is not done, the force will either dissipate or strike you in the ass like a lightning bolt.

Hair, toenail clippings, soiled clothing, jewelry, etc. are normally used for this purpose.

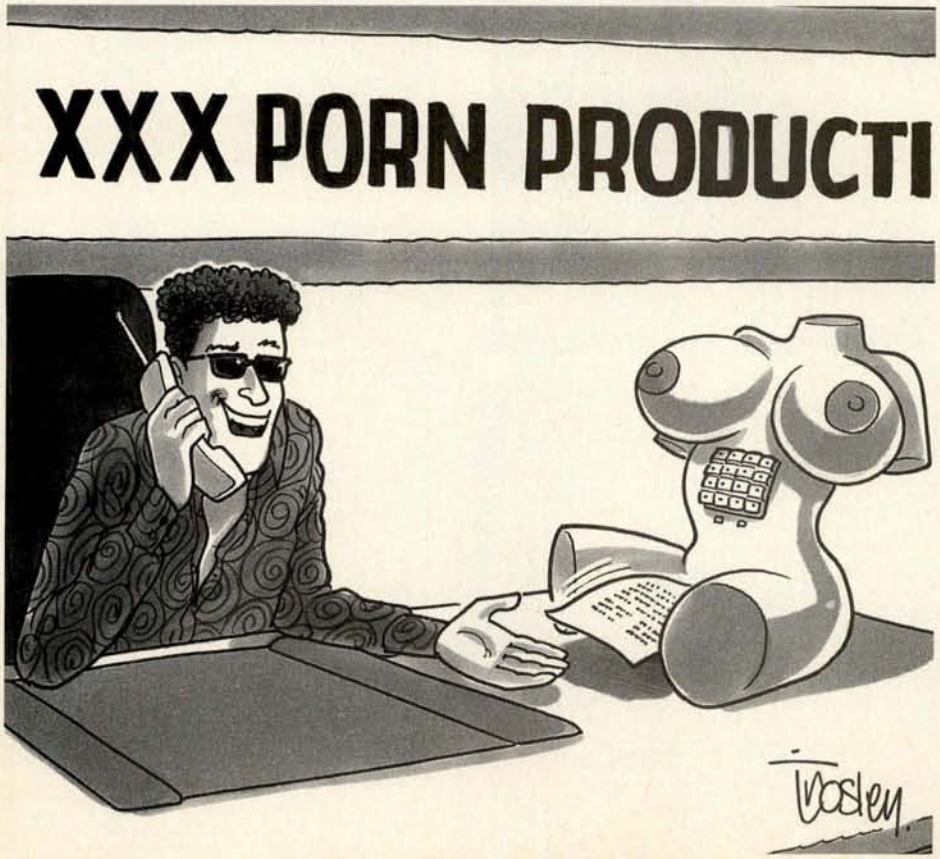

I suggest selecting objects dear to Venus as a "magickal link." It is Venus who has dominion over the kind of gifts you seek. Venus, like the other deities, is not an external spiritual force. She is an aspect in all of our psyches, an archetype buried in our collective unconscious. Through ritual, the conscious is integrated with the forces of the unconscious. We invoke a God or Godette form by drawing it out of ourselves. It then becomes on operative force within our personalities.

CHAPTER FIVE: THE RITUAL: OR "THE MONEY SHOT"

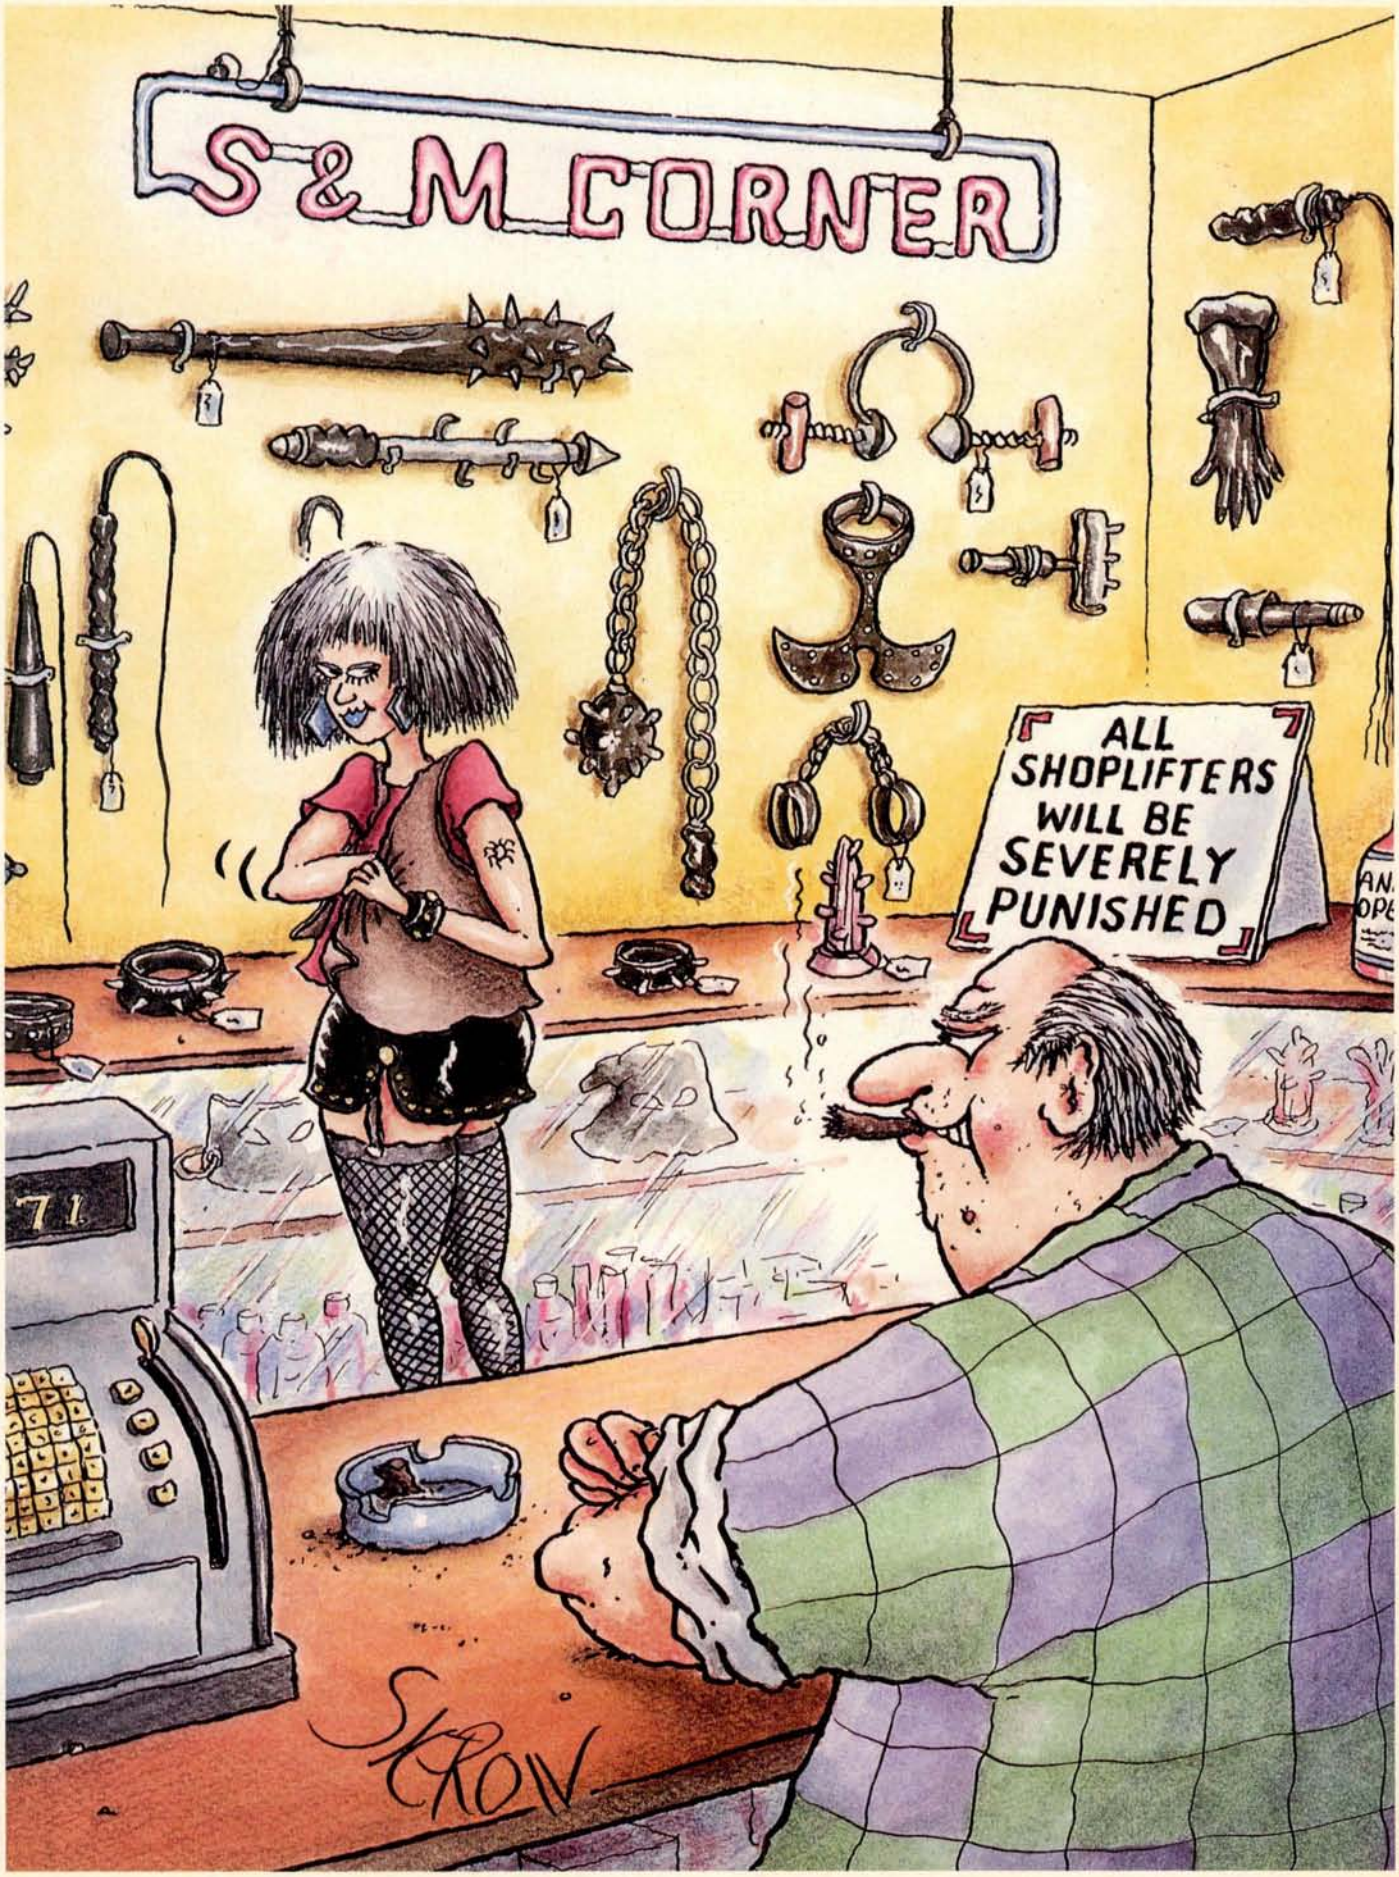

Seal your ritual area with a triangle of sea salt. The triangle should be vaginal in appearance. The sea salt confines the psychic energies released during ritual to one area.

Set up your altar with the previously selected, emotion-evoking objects. Arrange your drawings and carved figures. As you want to appeal to Venus's lascivious side, drape women's lingerie,

BEAVER HUNT VIDEO CONTEST IS ON!

HUSTLER sounded the call for women of every race, creed and color to take it all off, grab a video camera and show a nation what they're made of. America responded with a deluge of entries for the *Beaver Hunt Video Contest*. Now it's your chance to make $500 and take a shot at the $5,000 Grand Prize. Simply throw a VHS tape into the camcorder and capture your Beaver doing what Beaver does best—whether it's fucking, masturbating, being shaved, being sucked, or simply looking pretty. The only limits are your kinky imagination! All participants must fill out the Model Release Form on the next page (make photocopies of the Form for friends if activities turn to group sex). Be sure to include photocopies of two forms of identification for everyone on camera, and send entries to *Beaver Hunt Video Contest*, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. The hottest tapes of the finest ladies will be included in the upcoming *Beaver Hunt Video* series, and the winning gals receive $500—not to mention that $5,000 reward for the Grand Prize Winner. If you've got what it takes to light up the Beaver screen, then let the cameras roll—the video *Hunt* is on!

Alaskan Lynette Clark fumes, "We are being ruled by a foreign government.... We're plain tired of being treated like the ugly stepchildren in Uncle Sam's attic."

ment, in which several local governments throughout the West have declared authority over federal lands. Such claims have led to a chain of disputes between local residents who use the land and Forest Service agents who patrol and maintain the public areas. As they intensify, these clashes are garnering the spotlight of the national media. An October 1995 cover of *Time* magazine pictured Dick Carver, a Nevada rancher who created a standoff with federal agents when he began bulldozing a closed road across a national forest in Nye County.

In August 1995, a bomb detonated a van parked outside the home of a forest ranger in Carson City, Nevada. Though no one claimed responsibility for the attack, Senator Harry Reid blamed the incident on "the ugly underbelly of the county-supremacy movement." Forest rangers in Nye County, whose lives have been threatened, are ordered to work in pairs. "As this escalates, a physical confrontation is a possibility," said a district manager of the U.S. Bureau of Land Management.

Secession activists in Alaska and Hawaii argue that their inclusion in the United States results from the subjugation of non-white native populations.

Both states came into the Union in 1959, before which time they were classified as "non-self-governing territories" by the United Nations.

"The main reason Alaska became a state was quite simply the Cold War," says Thomas Naylor, alluding to the state's strategic proximity to the former Soviet Union. Members of the Alaskan Independence Party (AIP) claim that Alaska may have never become a state if the U.S. had followed proper protocol during the statehood vote.

Half the Eskimo population wasn't allowed to cast ballots because they couldn't read and write English. Secondly, the U.S. government allowed military personnel and their dependents to vote even though the GIs stationed in Alaska were receiving pay for "overseas duty." Furthermore, the ballot asked only whether Alaska should become a state; it didn't present the option of independence.

Dexter Clark, an AIP representative for the Fairbanks region, says Alaskans continue to get a raw deal. Clark gripes, "Why don't we have equal footing? We were promised we would be equal masters in our own home, and we aren't."

Clark is angry that Alaska can't export its oil directly overseas like California and Texas can—Alaskan oil first must be shipped to California. Development in this frontier state is also severely hamstrung by the Federal Wetlands Act, which prohibits the commercial use of land classified as permafrost (frozen moisture). Permafrost accounts for 80% of Alaska's territory.

Dexter's wife, Lynette, an AIP state party secretary, fumes, "We are being ruled by a foreign government.... We're plain tired of being treated like the ugly stepchildren in Uncle Sam's attic."

Every year the AIP surveys people on statehood options from its booths at local fairs. Dexter Clark says, "'Independent Country' is being chosen more and more in these surveys." In Fairbanks, about 63% of 500 people polled favored breaking away from the U.S.

Guide

(continued from page 100)

preferably stained with menstrual blood.

Now, back to your journal. Turn to the visually codified sentences and begin carving them on a red candle.

Anoint your carved candle with the previously described oils and armpit perspiration. Or use the sweat from the underside of your testicles. Stroke the candle upward three times from the middle and then stroke three times downward.

Set the candle on your altar and place the "magickal link" in front of it.

As stated before, timing is a key factor. The new moon is the best time to initiate new projects. It is the time of planting and growth.

Drink a glass or two of good Bordeaux. Undress. Enter the ritual area, burn incense, and light your candle. Enjoy the food you've laid out. Admire the drawings. Fondle the lingerie. Excite yourself into a heightened state of lust. Sit before your altar. Slick your hand with Vaseline. Are you ready? Good.

Now beat your meat. Hold your dick in a "Black Power" grip, visualizing fire-red sex energies swirling around you in an egg-shaped cocoon, shot through with needles of gold, and shake that muthafucka harder than a pair of dice. *Feel* the magnetic pull of hundreds of naked Whitewomen floating toward you, casting the cocoon of radiant red energies around the "magickal link."

Imagine yourself cradled between two strong thighs fanning open and closed with the grace of two palm fronds in a languid breeze, the pelvis rolling like a wave churning across the sea. A phantom cunt draws your cock deeper and deeper into its moistness with a gently flexing grip, its sweating walls rippling along the stem, kneading it like soft Plasticine.

A phantom sphincter tightens around your finger.

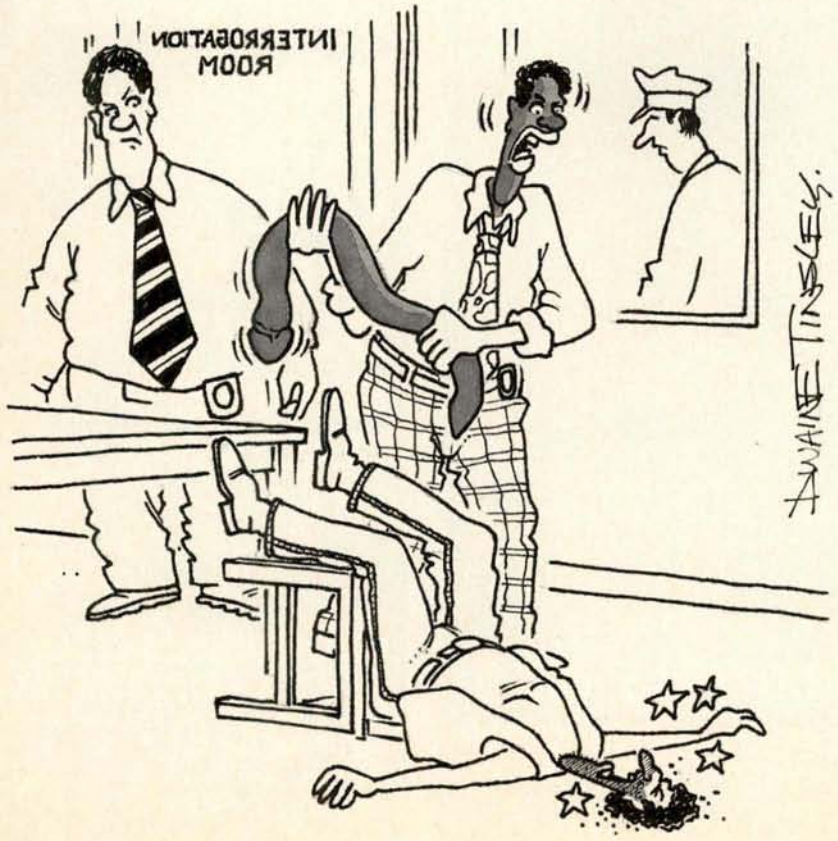

The cunt bubbles beneath you. It convulses with violence, and nibbles the bulb of your cock, snapping like a steel beartrap.

Cum spatters in your Vaselined hand.

On the altar, the candle's wick is a charred stump in a puddle of beaded red wax. Prick your finger, rolling the web of cum, the drops of blood, and blob of wax into a ball. Toss it into a live body of water under a new moon.

The ritual is over. The spell is done.

In the unlikely event my prescription fails you, walk the streets with your cock out. I guarantee—women will *stare*. And you'll get offers. Maybe only from scaby-legged bag women who neglected to take their Lithium. But, hey, *it's not called a "magic wand" for nothing.*

"Talk, scumbag, or I'll whomp you again!"

Secede

(continued from page 106)

hands you a brochure. It reads: "Tourist, go home."

Welcome to Hawaii. Native Hawaiians, by far the poorest population in their own homeland, are tired of "selling *aloha* for money." Hawaiians want their land back. There are 30 pro-sovereignty groups in Hawaii, some of which push for secession.

The most notorious is the 7,000 member Nation of Hawai'i, whose members have declared independence from the U.S. The Nation adopted a constitution in 1995 and consults a law professor noted for assisting the Palestinians in their drive for statehood. The group has appointed its own attorney general, minister of justice and security force, who dress in militaristic, black uniforms. Some members have their own yellow "sovereign" license plates, bringing them into repeated conflict with Hawaiian police. Furthermore, Nation security teams delivered a letter to U.S. federal judges warning them that in the future they will be arrested and tried for "genocide and apartheid."

In August 1995, Nation of Hawai'i leader Dennis "Bumpy" Kanahele was arrested for harboring a federal fugitive. He was denied bail despite a positive referral from a previous parole officer. There were unsubstantiated reports that Kanahele's group was stockpiling weapons. Statements made by Assistant U.S. Attorney Les Osborne reveal the serious regard the federal government has for the threat posed by Kanahele. In his arguments against releasing the prisoner on his own recognizance, Osborne allowed that if Kanahele jumped bail, "the consequences of having to go out into the community to arrest him again would present a clear and present danger to the people of the state."

In response to his bail being denied, Kanahele told the *Honolulu Advertiser*, "I'm a political prisoner."

* * *

Thomas Jefferson considered revolution an essential component of democracy. "Whenever any form of government becomes destructive," Jefferson said, "it is the right of the people to abolish it."

Two hundred years later, amid an increasingly rabid atmosphere of American rebellion, Duke University's Thomas Naylor adds a sober concurrence: "Any group of free individuals has a fundamental right to band together to form a voluntary association to promote the common good, whether it be a nation, a state, a town or a district. Just as a group has the right to form, so too does it have the right to disband, subdivide itself or secede...."

"But you said if he sexually harassed me again to 'give it to him.' "

HOW TO BUILD A GIANT PENIS!

If you've wanted to be the man that amazes women . . . the envy of other men because of their massive male organ . . . if you've ever craved a long, curving penis that hangs down beyond your balls along your thigh, there's only one sure-fire way to achieve your desires! Millions of men know how huge their penis can be thanks to regular use of vacuum development. And now, at a reasonable cost you can share this exciting experience!

NEW HYPER-PUMP TAKES YOUR PENIS TO A NEW DIMENSION!

On your first use of the new HYPER-PUMP you'll watch your penis expand in thickness until the skin is stretched tight and your veins are vividly exposed! You'll watch in astonishment as your organ stretches out further . . . and further than you've ever imagined it could. You'll see right away, without any doubt, that despite its low cost, the HYPER-PUMPS really work . . . and work fast to make your penis incredibly bigger!

COST SO MUCH LESS THAN OTHER PUMPS! WORKS BETTER TOO!

You may have seen deluxe pumps costing $50 . . . $75 . . . $100 . . . even as much as $300! The fact is all pumps work on the same principle so why pay more for expensive advertising! The HYPER-PUMPS were designed for men who want fast, first-class results for a reasonable price. They are engineered for ease of use, with the fewest possible parts (nothing to break or wear out), light in weight, but exceptionally durable. And best of all the regular model HYPER-PUMP costs only $14.50! Or you may order the SLIM-JIM or deluxe ELECTRIC models for just a little more!

Nearly 5 million sold!

WHAT MEN ARE SAYING ABOUT THE HYPER-PUMP

"My hard-on is inches longer than usual from use of your new pump. It never fails to amaze me."
"I watch my penis fatten up until its glued to the sides of the pump. I never guessed I could get that big."
"I like how easy it is to use. Feels natural to use with the squeeze bulb right handy on top."
"Have used HYPER for a month with stupendous results. Thank you for a well made machine."
These are just sample comments. Let us know about your experiences with the HYPER-PUMP.

PENIS ENLARGEMENT

MAKE YOUR PENIS HARDER, THICKER, WITH ERECT MEASUREMENTS UP TO 12 INCHES OR YOUR MAXIMUM POTENTIAL!

The following photos dramatically demonstrate an actual case history before and after using our powerful **Penis Pump**. The man demonstrating these increases is Chris Parker. His height is 5'9", and his weight is 135 lbs. The pump can be used by any man of any age, any height or weight for a longer, thicker, harder penis.

Before using the Penis Pump, Chris' penis is thin and small, about 3 inches

In this photo, Chris inserts his small penis into the pump.

Above, Chris has grown 2 to 3 inches but has not reached his maximum potential

Chris shows you his penis without the pump. There is a remarkable increase, but he can still grow and reach his maximum.

Look at Chris now! See how much longer, thicker and harder his penis is!

In this photo, Chris almost fills the entire pump. He is much thicker and 10 inches long!

A close-up look at Chris' thicker, longer, harder penis.

Even without an erection after using the pump, Chris' penis is much thicker and longer.

Our Penis Developer will increase penis length, thickness and make your erection harder and stiffer. Complete step-by-step instructions on our video and magazine. Do not accept any substitute. This is the original How-To Penis Enlargement System developed over 20 years ago.

2. Begin the vacuum development phase; see your flaccid, puny organ start to GET LONG, GET FAT, BULGE and GROW . . . to new startling dimensions of LENGTH & THICKNESS . . .

$23.95 plus FREE SENTRY PROLONG RING

HOW CAN THE SUPRA-12 DUAL SYSTEM INCREASE PENIS LENGTH & THICKNESS?

The phenomenon of male erectile response occurs when external stimulation, applied to the glans and penile shaft (see fig. 1) produces increased blood flow into the special muscles which reside in the penis. The increase produces turgidity and engorgement with a corresponding increase in thickness and size until the muscles are at full capacity. By increasing capacity, the muscles can hold more blood, producing a **SIGNIFICANTLY LONGER, FATTER, and BULGING ERECTION.** This is the principle behind the SUPRA-12, and it is simplicity itself! By using the system and all the components supplied, and flowing the simple directions, any man **CAN ENJOY ASTOUNDING RESULTS** in augmenting his natural penis size to the **VERY MAXIMUM DIMENSIONS** of which he is capable!

THE SENTRY PROLONG RING – THE MARVELOUS "BONUS" OF THE SUPRA-12 SYSTEM THAT ALLOWS YOU TO "HAVE YOUR CAKE AND EAT IT TOO"!

No penis-building system is any good unless it allows you to enjoy **LASTING INCREASES IN SIZE,** right? This is where the beauty of the sensational new SENTRY Prolong Ring comes in – it allows you to maintain your **NEW BULGING SIZE,** and enjoy your hard, virile erection, for a period of time that will astound you – erection control for as long as you want! Not only that, but the SENTRY is simplicity itself; sits quietly at the base of the penis, and **never interferes with penetration,** the SENTRY is your secret ally in pleasure, allowing you to **have intercourse, penetrating to new depths,** with an amazing new **level of rigidity** never attainable before. And then its removed in a flash. All this control literally **at your command, at your fingertips!**

THE BEST OF BOTH WORLDS: ULTRA-MODERN TECHNOLOGY AND GOOD OLD-FASHIONED VALUE – SUPRA-12 GIVES YOU BOTH!

It's a fact: Other, inferior systems have half the features as Supra-12, but sell at twice the price, at the very least! Made in the U.S.A. these state-of-the-art vacuum pumps are equal or better than those prescribed by doctors that sell for up to $430. **ACCEPT NO SUBSTITUTES!**

NEW, IMPROVED ELECTRIC MODEL
Plug-in electric pump provides constant vacuum you control! Complete vacuum occurs gradually for safety and provides relentless vacuum without any physical effort. Ultimate in vacuum pump luxury!

"The quality remains long after the price is forgotten." Sir Henry Royce (Rolls Royce)

TORCH LIGHTS

In September, when summer cools and fades into autumn, HUSTLER carries the torch for those who seek high-temperature kicks. Your own torch will burn longer and brighter when your imagination fuels on the spectacle of a scrumptious brunette getting her pink, saucer-sized nips hosed down with white gobs of man spray; a feral blonde lets her animal spirits run wild—and naked—on a foamy beach; a babe in black garters stretches her honey slit on a slippery staircase banister; an Oriental trollop presses the flesh with her Caucasian gal pal in a tabletop lesbian love lesson; and a platinum blonde with overstuffed chest pillows spreads wide for an intimate look at her bottom holes. Grab onto September's HUSTLER and set your torch ablaze.

MUZZLE FLASHES

"Gregory grabbed her by the hair and curled his finger around the trigger. The blasts from his pistol exploded in the neon glow as he pumped six rounds into the dancer's body at point-blank range. She died instantly, her blood spilling across the booth where she'd just performed her last lap dance." In *Sugar Sweet Murder,* HUSTLER crime correspondent Bob Armstrong reports on the homicide of a Seattle, Washington, dancer and the obsessed sugar daddy who pulled the trigger. Was she a mixed-up waif deluding herself with Marilyn Monroe dreams, or was she a street-hardened hooker playing a sucker for his every last dollar? Find out in the September issue of HUSTLER.

SMOKE AND MIRRORS

"Speaking purely in economic terms, most Americans are fucked." While many have known this grim reality for far too long, HUSTLER economic correspondent Hank Schlesinger sheds light on the mysterious and powerful forces that are behind the growing impoverishment of hard-working Americans. Read his exposé *Who Owns the U.S.?* and find out who's been putting the squeeze on your paycheck.

FEINTS AND THRUSTS

In September's *Sex Play,* correspondent Alice Joanou reports on new remedies for impotence in "Phallus Pharmacopoeia"; *Bits & Pieces* takes a stab at child molesters, ethnic sitcoms and Benetton; *Erotic Entertainment* presents the good, the bad and the fugly; and in *Beaver Hunt,* housewives hold their ends up for the pink parade.
